There are five airports, including four that are international, within an easy drive of the Port.

- **Orlando International Airport**
45 minutes
- **Orlando Melbourne International Airport**
40 minutes
- **Orlando Sanford International Airport**
60 minutes
- **Daytona Beach International Airport**

By Car

We're located in Brevard County, right in the middle of Florida's east coast, easily reachable by an efficient system of highways.

State Road 528 (the Beachline), State Road 520 and State Road 50 are the Port's east-west highway links. These highways intersect with U.S. Highway 1, Interstate 95, the Florida Turnpike and Interstate 4 to provide excellent access to and from Port Canaveral from anywhere in the nation.

Follow the Pixie Dust to Disney Adventure

Cruise Terminal 8 at Port Canaveral is the place where it all began — home of the world famous Disney Cruise Line. Experience the latest amenities and adventures, fresh from the incredible minds at Walt Disney Imagineering. The 4,000-passenger sister ships, the Disney Dream and Disney Fantasy, offer impressive feats of magic and cruise industry firsts — like the AquaDuck water coaster that takes riders off the side of the ship in a transparent tube, and a spectacular at-sea fireworks show in the middle of the Caribbean.

The recently renovated Disney Wonder has dozens of new enhancements from stem to stern, including a new adult district with a pub and night club, Marvel Super Hero Academy for kids and Tiana's Place Restaurant. Sail away for 3- or 4-night Bahamian cruises on the Disney Dream or Disney Wonder, or enjoy 7-, 10- or 11-night sailings on the Disney Fantasy to the eastern, western and southern Caribbean.

Relax and restore
or invigorate and explore.

*The choice
is yours.*

In Central Florida, we have an abundance of options for turning an idle hour, day or week into a transforming experience. So take a little time before or after your cruise to boost your vacation's restorative effects.

Claim Your Place in the Sun

Enjoy one of Port Canaveral's waterfront parks, which have something for everyone. Four-acre Rodney S. Ketcham Park is a prime stop on the Great Florida Birding Trail, and 35-acre Jetty Park is the perfect place to enjoy the gentle ocean waves. Jetty Park also has lifeguards on duty year-round, an air-conditioned food center and top-notch overnight camping facilities.

www.jettyparkbeachandcampground.com

Jetty Park air-conditioned beach-side cabins

As part of a recent \$1.13 million park renovation, Jetty Park's extensive tent and RV camping facilities have been joined by eight new vacation cabins. Each cabin is 12-feet by 15-feet and sleeps four, plus each has its own themed décor, from "Surf Shack" to "Smooth Sailing."

Try our paved and lighted Malcolm E. McLouth Recreation Pier at Jetty Park. Anglers gather here to try their luck at snook, Spanish mackerel, drum and other challenging sport fish. Or check out a daytime or nighttime boat charter.

ATTRACTIONS

If you already know about the world-renowned vacation options in Central Florida, you don't need us to tell you they're worth visiting. Millions come every year to visit the many attractions that are just 10 minutes to an hour away from Port Canaveral. Yes, you're that close!

Explore Florida's Space Coast

Port Canaveral is located on Florida's Space Coast - home to Kennedy Space Center and a wide variety of attraction choices. Swim, body board, surf or just enjoy the sun on one of the miles of warm Atlantic beaches. Explore the wetlands to see alligators and other unique native species, or tour the Intracoastal Waterways to see dolphins and manatees. Stop by the local museums and historic downtowns and be sure to visit the well-known shopping venues of Cocoa Village, Cocoa Beach Surf Shop and Ron Jon Surf Shop.

One of the Space Coast's most popular attractions, the Kennedy Space Center Visitor Complex, now offers an exciting new reason to visit: the \$100 million, 65,000 square-foot home of the space shuttle Atlantis. The orbiter is displayed as if in flight for stunning close-up viewing, while surrounding interactive displays feature major accomplishments of the shuttle program, including the International Space Station and Hubble Space Telescope.

Take in Orlando

If you can add a few extra days of vacation before and after your cruise, remember the attractions of Orlando are only an hour from Port Canaveral.

- **Walt Disney World® Resort** — Including Pandora: The World of AVATAR at Disney's Animal Kingdom (opening 2017)
- **Universal Orlando Resort™** — Including Universal's Volcano Bay™ water theme park (opening 2017) and The Wizarding World of Harry Potter™
- **SeaWorld® Orlando** — Featuring Mako - Orlando's tallest, fastest and longest roller coaster
