The sky's the limit for Isaiah

A seven-year-old former Phoenix resident has proved that the sky's the limit for him after he was crowned the Mr Ushaka Kids World winner. Isaiah Sky Govender has his sights set on becoming an internationally renowned singer and the Sunningdale resident beat 15 other local boys for the prestigious title, after strutting his stuff in both swimwear and casual wear for the semifinals as well as showing off his singing talent in the talent section leading to the finals. He performed Charlie Puth's 'One Call Away'.

Mr Ushaka Kids World winner...Isaiah Sky Govender.

Isaiah has been modeling since the age of five under the guidance of Models International, but his true passion lies with singing. "He has always loved the camera, so we enrolled him with a local modeling agency to help build his confidence," said proud father, Jeremy Govender. He has since starred in several television adverts and numerous print and promotional adverts. "This is just a stepping stone. I want to be a singer," he said confidently. The Glenashley Junior Primary School pupil said he loved R&B as well as gospel music. He walked

away with R20, 000 in cash and prizes and for the next 12 months he will be an ambassador for Ushaka Kids World. The winners of the Miss uShaka Kids World were Meeka Govender, from Phoenix, the first runner up was Daniella Burgess, from Empangeni, and the second runner up was Kyro De Quintal, from Overport.

Residents to voice concerns during march

A mass legal 'Voice of Phoenix Community March' will be held on Saturday, May 21, starting at the corner of Longcroft and Longbury Drive opposite the Corner Stone Church, culminating in the handing over of a memorandum with the concerns and objections will be handed over to the Mayor and the Department of Human Settlements. The march will continue from the start point and proceed around the

Plaza and will end at the starting point. Residents are urged to assist and join the march against the passing of a municipal law which is being passed without consultation with the residents of Phoenix. The march was organised after angered residents in the Phoenix area felt that neither this generation nor the next will be able to afford houses let alone have an opportunity to expand their family and living space

in Phoenix. "It is long overdue that all the people of Phoenix stood together and made our voices heard. Phoenix is our hometown and we need it to be more safe and comfortable for us to live in. We need the space for ourselves and our children," said one of the organizers of the march. For more information, contact Nishal on 084-377-1133 or Logan 084-018-6697.

Information needed for missing person

Phoenix police are appealing to members of the community to assist in providing any information related to missing person Busisiwe Mchunu (pictured), 68, of Phoenix. She was last seen on April 29, 2016 wearing brown attire, a red jacket and black shoes. She informed her sister that she was going to

visit her family members in Pietermaritzburg. Anyone with information on her whereabouts is urged to contact Warrant Officer MS Mfeka of Phoenix SAPS on 031-508-2389 or 083-330-7172 or our Crime Stop number on 08600-10111.

Most wanted criminal arrested

The KwaZulu-Natal Police Commissioner, Lieutenant General M m a m o n n y e Ngobeni, praised the joint multi-disciplinary operation which resulted in the arrest of one of the most wanted and dangerous suspects in KwaMashu, last week. The 36-year-old man has been positively linked to the murder of a 51-year-old police officer at Gingindlovu in November 2015. He was also wanted for a number of cases including cash in transit robberies, murder and attempted murder in KwaZulu-Natal. During his arrest he was found in possession of three AK47 rifles, two 9mm pistols, three AK47 magazines, four 9mm magazines, and more than 350 live rounds of ammunition for different firearms. The suspect's 28-year-old girlfriend was also

arrested during the operation which was conducted jointly by members of the Hawks, Crime Intelligence, Task Force and Durban K9 unit. The two will also be charged for posses-

sion of unlicensed firearms and ammunition. "This suspect remained elusive for a long time and detectives had continuously been tracking his movements. We are

pleased with the persistence of various units that have been on his trail. We once again urge communities not to harbor these

criminals. The fact that he was armed to his teeth is an indication of how dangerous he is," she said.

Support group to empower women

A women's support programme was recently launched by Alison Hadfield, vice principal of Victory Christian Academy in La Lucia, Durban North. The programme is aimed at women of all ages who are experiencing challenges in life after suffering a traumatic ordeal. Speaking about the name of the group, Hadfield said, "At the launch, we chose the name, 'The Olive Tree Women's Support Group' because of the attributes of the olive tree which is ever-green, drought, disease and fire resistant and is likened to a

woman's ability to survive trauma and still be of value. It is also a symbol of peace and the colour green symbolises life." The project will be an ongoing one although the initial phase will be for an eight week duration. The programme will take place every Wednesday until Wednesday, June 22. "Some of the topics that will be discussed include depression, addictive behaviours, abuse, grief and trauma. The programme is free of charge and the aim is to assist any woman from any community who needs encouragement and

Githa Balram, Alison Hadfield, Alida Scholtz and Pam Ngema are seen at the launch of the programme.

support. We are calling on members of the community to come forward and train as potential facilitators," added Hadfield.

After the eight week duration, the course will resume on Wednesdays from July 20, 2016. Anyone interested in the project can contact Alison Hadfield on 084 834 6364 or Alison@had-

field.co.za. The Olive Tree Women's Support Group takes place at Victory Christian Academy 34 Ronan Road La Lucia on Wednesdays from 2.30pm to 4.30pm.

Thousands receive food hampers

Buddha's Light International Association spreads joy to thousands of indigent people.

The Buddha's Light International Association, a Buddhist monastic and lay organisation, donated thousands of food hampers and blankets to destitute families in the Phoenix and surrounding communities at the Phoenix Technical School on Saturday morning. Some of the recipi-

ents said the food hampers could not have come at a better time. One pensioner who received a food hamper said, "We are unemployed and cash-strapped and this food parcel will keep us going for a few months. We are grateful to the organisers of the Buddha's Light International Association (BLIA) for their kind generosity."

The Buddha's Light was established by Venerable Master Hsing Yun in 1992. The organisation is associated with the Fo Guang Shan Buddhist Order, the largest Buddhist organisation in Taiwan. BLIA is an organisation of monastic and lay Buddhists in which Buddhism is prac-

ticed in everyday life. It is essentially an embodiment of cultivation that entails the participation in Dharma services and activities that are beneficial to society at large. In addition, BLIA maintains friendly ties with devotees of other sects and religions. With its religious characteristics and the essence of education and cultural activities, BLIA's motivation toward strengthening the faith of people can be greatly enhanced. In 2003, BLIA was granted the NGO association status by The Economic and Social Council of the United Nations (ECOSOC) and Department of Public Information (DPI) under UN.

ATTENTION: GEPF MEMBERS

Read this if you are retiring soon

I recently met with a GEPF (Government Employee Pension Fund) member who was deeply concerned about his retirement. If he invested via GEPF, he would receive an income. However, his wife may collect only half that income when he passes away. Should she pass away, nothing would be paid to their children.

Does this situation concern you too?

How do you feel about not leaving your money to your children? Did you know that you can transfer your GEPF funds to an insurance company.

By doing this you will have five options for investing your money instead of the two that GEPF provides. There are some options that will pay your family a lump sum upon your passing away.

My role as a specialist Wealth Planner is to understand your retirement goals and dreams and then help position the best option to make them a reality.

As a Full Partner, I can add the following values to you:

- Reduce your upfront costs by up to 75%
- Help you get a higher lump sum than GEPF
- Access to a team of Specialists

Choosing how your money should be invested when you retire is one of the most important decisions you will make.

Once you settle on an option, it is cast in stone and cannot be changed. For this reason, you must be fully aware of all your options before you decide.

Let me help make this intricate process simple and easy for you.

Group presentations can be arranged.

Murder suspects arrested

With the help of witnesses, members of Phoenix SAPS, arrested two suspects for the murder of a man in Mount Royal. Both suspects, aged 22 and 27, were charged for murder and appeared in the Verulam Magistrate's Court last week. Brig DB Ndlovu from the Phoenix SAPS praised Cst Ndonyela for the successful arrest. "One firearm was also recovered. The 27-year-old suspect was found in possession of a black and silver 9mm pistol, six live rounds of ammunition

and a magazine which was reported missing in 2014. He was subsequently charged for being in possession of a firearm and ammunition unlawfully," he said.

Meanwhile, members of the Hawks arrested three suspects for a murder that occurred at Woodview Park in March. The charge has since been changed from suicide to murder. John J Naidoo, 23, Shalen Naidu, 19, and Brenton Moodley, 26, appeared in the Verulam Magistrate's Court last week.

House break-in suspect arrested

A 25-year-old house break-in suspect was arrested after neighbours caught him breaking into a house in Eastbury Park, recently. The complainant had allegedly left his residence and half an hour later arrived back at his premises only to be informed that a person had broken into his house.

When the complainant entered the house, he

noticed that his Ipad and two Blackberry cell phones were missing. A case was registered and investigations continued. Members received information that the suspect was hiding in the nearby bushes. Upon inspection of the members, they found the suspect asleep in the bushes and arrested him.

Man (51) caught with drugs

A 51-year-old man was found in possession of 18 mandrax tablets and 19 large pieces of individually wrapped cocaine. Dayalla Naidoo was arrested and appeared in the Phoenix Magistrate's Court last week. According to the communications officer of the Phoenix SAPS, Lt L Naidoo, police officers were patrolling in the Sastri Park area when the man was stopped and searched, resulting in the arrest.

Donate the gift of life

A scene from a previous blood donor drive.

Residents are encouraged to support an upcoming blood drive which will be hosted at the Foresthaven Secondary School on May 21 from 9am to 3pm. The initiative follows the successful blood drive in February where 94 residents bled and 122 attempted to donate.

Your donation can save up to three lives with one pint of blood. There will also be fantastic tokens and prizes for all donors, a jumping castle and face painting for children as well as music, lunch, refreshments and special gifts to people who bring in other donors. For more information, contact Kreesan on 083-988-5733 or 083-216-2333. Residents are encouraged to carry their ID books. Transport to surrounding areas can be arranged.

Residents urged to identify stolen goods

While members of the Phoenix SAPS were conducting investigations in the Fernham, Bhambayi area, two men who were carrying chairs and a table dropped the goods and fled. Communications officer of the Phoenix SAPS, Lt L Naidoo, said, "The detectives gave chase but could not find the suspects. The table and chairs were confiscated and taken to the police station." Residents who have been robbed of the abovementioned items can identify the items at the Phoenix SAPS.

Devotees enlightened at annual Hindu Day

The SA Hindu Dharma Sabha, in association with the Phoenix Regional Sabha and its affiliates, observed the annual Hindu Day recently with an inspirational and informative programme at the Northcroft Hindu Dharma Sabha Temple Hall, in Northcroft, Phoenix.

The programme commenced with the performance of a hawan ceremony by various learned Hindu scholars, led by Pandit Madan Maharaj. This ceremony cleanses the atmosphere and brings about knowledge and wisdom by understanding the meaning of the sacred Sanskrit mantras that are chanted.

The audience at this well attended function was then entertained

by lively bhajans and classical dancing by members of the various affiliates. This was interspersed with enlightened religious discourses which captured the interest of the enquiring audience.

Speaking on the 'Glory of Hinduism', a religion based on the divine revealed wisdom of the Vedas, the first scripture known to humankind, Mr Raam Maharaj, president of the SA Hindu Dharma Sabha, stressed on its relevance to the society of today.

Mr Roy Ramnath, chairman of the Phoenix Regional Sabha, dwelt on the topic of 'Why Hinduism Rejects Racism', and why in a multi-racial society, it is important to under-

stand and appreciate the goodness of the diverse society. In stressing the need to distress, Anitha Hariram, executive member of the

Phoenix Regional Sabha, explained 'Why Hatha Yoga is important'.

Hariram explained that Hatha Yoga is a system which includes the practice of yogic

postures and breathing exercises which help keep the body in good health.

The programme concluded in an atmosphere of togetherness and harmony, as all

present participated in the sumptuous vegetarian lunch which was lovingly served by the officials of the Phoenix Regional Hindu Dharma Sabha.

Combating social ills at schools

By Gordon Govender, PRO of the Principals Association of Chatsworth

This article serves to inform parents, pupils and the community of the issues and challenges at school and how school management and the SGB manages them. Regular reports in the media highlight the escalation of substance abuse, crime and violence among other offences in schools and which also indicate how schools grounds are becoming sites of contestations on a daily basis posing serious challenges to school management and teachers. These grave concerns are articulated by both social commentators and supported by the report of the SA Human Rights Commission on school-based violence experienced at schools on a daily basis. Although some of the problems confronting primary schools are not as severe as those at secondary schools, principals concede that many of the problems carry through from the primary school into the secondary school in later years and as such intervention is essential. The following are some of the problems and challenges identified and prioritised.

- Escalating violence including bullying, fights and gangsterism
- Substance abuse including tobacco, dagga, sugars and other illegal or scheduled drugs.
- Sexual misconduct and improper behaviour
- Cell phones and distribution of undesirable content such as porn etc
- Carrying of weapons
- Absconding lessons and lack of commitment
- Use of abusive language and aggression
- Extortion and gambling
- Playing dangerous life threatening games
- Disrespect for teachers, parents, school management
- Trading in or possession of prohibited items at school
- Punctuality and chronic late-coming.

During the course of the first term, schools generally note an increase in the number of reported cases of violent acts in and

out of school. These included bullying, gang fights, threats and intimidation and the use of dangerous items. Another surprising fact is that increasingly now many female pupils are either directly involved or are cited as the initiators of these violent acts. There is often serious injury and the need for medical attention. To exacerbate the problem, these fights or threats are taken out of school, resulting in gang fights outside school or at the homes of pupils. Families become embroiled in bitter fights and rivalry. Principals report that many of the fights that turn nasty are as a result of very petty and often for very silly reasons. These relate to the carrying of untrue or fabricated tales to each other resulting in a confrontation. This gets a large group of pupils together and inadvertently ends in a free for all. Mob violence often results in serious injury and police intervention. Other cases often relate to issues of boy-girl relations, gambling debts, jealousy, turf wars, insulting comments, family or neighbourhood matters being carried to school, abuse on social networks (Facebook, Twitter, Whatsapp) and a host of other reasons. Bullying relate to the alpha male or female stereotype who seek attention by usually intimidating others and seeking subservience by them. These bullies are easily identified at school.

In next week's issue, Mr Govender will address the following topics:

- What do parents do when summoned to school to address problems?
- What do the schools usually do?
- Good parenting
- Developing sound school policies

For more information, contact Mr Govender on 031 409-9550/1 or email gmgovender@yahoo.com.

Suspects arrested for possession of stolen property

Phoenix police are urging residents and business owners to be more cautious with their belongings after they arrested several suspects who were found to be in possession of suspected stolen property, last week. Phoenix SAPS member, Cnst Moses, arrested a 22-year-old man while patrolling along Longcroft Drive. The officer noticed that the man was nervous when he approached him. When the officer stopped and searched him, he had three copper taps in his possession. When asked where did he purchase the taps from, he could not give a response and was arrested.

In another case, student constable Mdluli was patrolling the Grove-End area, when he spotted the 34-year-old accused with two electric grass cutters. When asked where he got the machines from, he could not give a reasonable explanation. A 24-year-old man, carrying a BP gas cylinder and three black chairs, was walking on the Phoenix highway, when he was stopped by police and asked where he got the items from. He could not give a clear answer and was arrested. The men were charged for being in possession of property suspected to be stolen. They appeared in the Phoenix Magistrate's Court.

The newly elected leadership of Protea Senior Citizens Club was recently convened by speaker of council, Cllr logie Naidoo. The following people were elected: Saroj Govender (chairman), Michael Nadan (deputy chairman), Kumla Moodley (secretary), Pam Mariah (deputy secretary) and Sheila Pooran (treasurer). The newly elected chairman, Saroj Govender has been a treasurer for the club for many years and has allowed the club to use her family home as a venue for the past 12 years.

MF helps restore pensioner's electricity and water

The escalating cost for utilities have caused serious problems for the poor, particularly those who depend on social grants and assistance.

For Sastri Park resident, Mr A Maharaj, his nightmare began when his electricity and water was disconnected because he missed a payment deadline. However, even after he made payment to the municipality he was still without utilities because the payment was credited to an incorrect account.

"This was a nightmare I wouldn't wish on my worst enemy. It is difficult to live without water and electricity especially when you have a newborn baby at home. The official at the municipality told me that I would have to go Chatsworth to get the transaction reversed because

that's where I made the payment. My only hope was the Minority Front," said Mr Maharaj.

Minority Front youth leader, Jonathan Annipen, said that Mr Maharaj had come to the office in a state of disarray. "When Mr Maharaj came to our office he was emotional and stressed. My secretary had tried to negotiate with the local offices and was unsuccessful. I then asked her to engage with the offices in Durban and we were able to resolve that matter so that before Mr Maharaj got home his utilities were reconnected. This was an error on the part of the municipality and Mr Maharaj cannot be expected to endure such inconvenience. We are glad that Mr Maharaj has this matter resolved."

Clayhaven Dojo excels at friendship tournament

The Clayhaven Dojo karate-kas competed at the Association of Shotokan Karate-Do South Africa (ASKDSA) annual friendship karate tournament held at the Tongaat Sports Hall recently. Sensei Dennis Kumarasamy, president of ASKDSA was overwhelmed with the performances of all the athletes. These athletes worked hard to excel in their respective divisions at the event.

These talented karate-kas train under Protea Coach, Sensei Vijay Govender at Clayhaven Primary School.

The youngest athlete, Mahin Reddy, five-years-old won bronze for kata and silver for kumite in the four-five-year-old boys white belt division. Both Risendran Naidoo and Clarisse Narayan were grand champions in their respective divisions winning gold for both kata and kumite.

Caeleb Munsamy and Abigail Govender both represented eThekweni and KwaZulu-Natal for karate in their respective divisions early this year. Abigail Govender won bronze for kumite in the 12-13-year-old division under 42kg at the SA karate championships held in Durban, March 2016.

Caeleb Munsamy, Shaydine Gayadin, Clarisse Narayan, Abigail Govender and Risendran Naidoo will be representing ISKF South Africa at the ISKF World Shoto Cup in Cape Town in August 2016.

Medallists: Back row: Hiral Premall, Abigail Govender, Caeleb Reddy, Clarisse Narayan and Shaydine Gayadin. Front row: Risendran Naidoo, Rohan Singh, Tyreez Puckhree, Mahin Reddy, Dean Naidoo, Triveshen Naidoo and Joshua Govender. Absent from the picture: Sengezo Ngcobo and Andile Sk'hakhane.

Sensei Vijay Govender was pleased with the results of the Clayhaven athletes and encourages them to strive for

excellence in their future endeavours. She also said that karate plays an important role in developing a child's character and build-

ing their confidence. Besides teaching discipline and self control, it helps improves a child's academic grades due to increased concen-

tration and focus levels. If you require more information about karate in your area, contact Sensei Vijay on 074-488-5456.

Mercedes-Benz GLE 350d 4MATIC

SUV-something comes this way

By James Siddall

Last year Mercedes-Benz rearranged the nomenclature of its SUVs. At first it might seem a little confusing, but it's all perfectly logical. Mercedes is German, after all.

And so the vehicle that was known as the ML becomes the GLE, derived from GL E-Class. Similarly the huge GL becomes the GLS, derived from GL S-Class.

Now I've just spent a week rolling in the new GLE 350d 4MATIC and, yes, it's still essentially an ML, but with upgrades that have given an already hugely competent SUV some extra polish, efficiency and elegance. Not that Mercedes' best-selling SUV really needed it.

The sharp-eyed will notice the likes of new headlamps with daytime driving lights, new front wings with arched wheel wells, and new LED tail lamps, as well as new light-alloy wheels.

The interior, meanwhile, is as slick and sophisticated as you'd expect, with a bigger media display now partially integrated into the instrument panel, and silver surrounds next to the airvents plus high-gloss black surrounds, which give proceedings a very premium air indeed.

There's also a choice of new colours for the interior, including ginger beige and espresso brown, plus finishes ranging from wood type in the likes of brown burred walnut or black poplar or black piano lacquer - as well as the option of AMG carbon-fibre trim. And speaking of which, even on a machine such as this, which costs a little over a bar, there's a boggling array of options available. But naturally standard equipment levels are high, and the GLE comes fitted with close to every conceivable luxury, and almost every active and passive safety measure known to man.

Just one option that my test unit was fitted with was the Mirror Package. Among other things, this projects the Mercedes star onto the

floor when opening and closing the vehicle. Nice. If you like that sort of thing. Though I do recall first seeing this feature on a Range Rover.

Now unless you opt for the Off-Road Engineering package, the big Benz is pretty tar-biased, which is just fine. Even the most capable off-roaders spend at the very least 90 percent of their time on sealed surfaces.

Power comes from a three-litre V6 turbodiesel (the days when the badge corresponded to engine size are gone). This puts down 190kW and a huge 620Nm of torque between 1,600 and 2,400rpm, yet Mercedes says it will only use 6.4 litres of diesel per 100km in the combined cycle. That's a nine percent or so improvement over the previous model.

Power runs through a new nine-speed 9G Tronic automatic 'box, and you can expect the Benz to surge from rest to 100km/h in 7.1 seconds (does anybody else remember an era when these figures were the preserve of really hot hatches, and not large diesel SUVs?). Top speed is 225km/h, and naturally it has permanent all-wheel-drive.

Presuming you have the required money for a GLE, the single drawback to a vehicle of this ilk - whose competitors number the likes of the BMW X5 and Porsche Cayenne - is size. Most will be confined to urban use most of the time, and it's singularly disappointing to notice that as vehicles have expanded in size over the years, parking bays and roads haven't.

Indeed, just the other day I went to look at a used 1987 Mercedes E-Class, and I was struck at how diminutive, almost delicate, it seemed compared to its modern equivalent. And bear in mind that back in its day this car qualified as a mid-sized executive sedan.

So if it was up to me, I'd opt for the smaller GLC, with the name being derived from GL C-Class.

You'll pay R1,038,226 for the GLE here. That includes Mercedes' brilliant six-year/100,000km maintenance plan.

Participants for the Phoenix pageant.

Win 2 trips to India CC Promotions Premier Phoenix Pageant

Since its inception, the C.C. Promotions group has undoubtedly become a household name in Durban and has become one of KZN's most iconic and notable productions. This year, the pageantry foundation will celebrate its 20th anniversary, which is indeed an impressive achievement for all members. Founded by Clive Chetty, the sterling organisation has always showcased young and old talent within the community, while also staying true to the ethos of community upliftment. The pageants organized have certainly served as a platform for participants to establish themselves in the modeling world and entertainment industry, at the same time they are able to use this opportunity to make

a difference in the community. C.C. Promotions thrives towards community upliftment and development and its premier pageants have been circled on the calendar as one of the most remarkable and highly recognized events in the province. It is a beauty pageant with a difference. Categories include: Master, Little Miss, Teen Miss, Miss, Mr and Mrs Phoenix. Audition as soon as possible and stand a chance of winning two trips to India (one in Phoenix and one in Chatsworth) courtesy of One Stop Travel and Tours. Flash Entertainers to feature at fundraising concert

The Shri Vishnu Temple Society (SVTS), home of the largest Hanuman Murthi in 229 Arena Park Drive opposite ABH, will be hosting a fund raising concert on Friday, May 20, at 8pm. SVTS, in association with Showtime Promotions, is holding the musical concert by the ever popular Nagara group, Flash Entertainers. This group is highly sought out throughout the country. They have their own unique style of music that appeals to all age groups. Music lovers will be treated to three hours of Chutney and Nagara together with the dancers from Flash Entertainers. The event will be compered by the popular Hindvani DJ's, Vinay Hansraj and Ashok Kumar Dhaneshwar. Their last appearance with Flash at this venue was a total sell out with many patrons turned away. SVTS is holding this musical concert to raise funds for their building project. The temple is planning on improving their already outstanding shrine. Showtime Promotions is assisting and all

funds raised from this concert will be going to the temple. SVTS is looking forward to the public to support this venture. The public is advised to buy their tickets early to avoid disappointment. Music lovers will be treated to a night of their favourite Chutney and Nagara tunes with loads of laughter and comedy. SA's number one Nagara group that has recorded many CD's in Chutney, Nagara and Bachara style will have fans screaming for more. Chutney and Nagara fans will be treated to music and a host of dancers and singers from both the groups together with jokes by Jay Singh. Tickets are available from P. Lalla's Pooja Shop in Westcliff, Manillal Ratanjee in Joyhurst Street and the Shri Vishnu Temple in 229 Arena Park Drive, Chatsworth. For more information, contact LC Maharaj on 083-555-9998 or JM Maharaj on 083-286-5221.

Champion, Nightmare, is looking forward to the show.

Wrestler, Joshua the Bull will also be in a match.

Phoenix nurses praised

The Grove End Clinic Committee held a commemorative celebration to honour their nurses with a token of appreciation, last week. The celebration formed part of International Nurses Day which was observed around the world on May 12. This is the day Florence Nightingale was born and is remembered for her passion towards clean and hygienic conditions in hospitals during the Crimean War.

As the largest health care profession in the world, there is no doubt that nurses are key to the achievement of the Millennium Development Goals. Cllr Solly Singh, as chairman of the clinic, said they are often the only health professionals accessible to many people, and work under constant pressure of administrative duties and impatient citizens. They must continue to work with governments and others to strengthen health systems and

create the conditions necessary to maximise the contribution of nurses. Nurses are particularly well placed and often the most innovative in reaching disadvantaged populations and it's council's priority to meet their demands. Nurses are educated to understand the complex nature of maintaining health and wellness, and the impact of psycho-social and socio-economic factors such as poverty, unemployment and ethnicity. We can be proud of their achievements, but nurses must also engage in advocacy and lobbying to be involved in the development of any new programme to improve health services. Nurses have the practical knowledge of how health service delivery can be designed, co-ordinated and effectively implemented. We salute all nurses, even those in retirement, as volunteers, and working in organisations."

Wrestlers prepare for upcoming battle

After an amazingly successful show held in February at the Sibaya Casino, local wrestlers will once again battle it out and hope that the community come out in their numbers to support and cheer them on.

Sibaya Explosion II will be held on May 28, 2016 at the Sibaya Casino and according to the wrestlers, who have been hard at work to prepare for their respective matches, this is quite an achievement to once again perform at the venue only after a few months.

Wrestlers who will feature at the highly-anticipated event include proud Chatsworth resident, Daryl Dante Naidu, also known as Nightmare, Joshua the Bull, Matthew Hammar, The Taxi Queen, The Shadow and many more reputable names. Wrestlers from past SABC 2 and ETV wrestling series will also be making their way to the event. All national championship belts will also be defended.

Following the success of the last show, it is clear that the

public is excited about the upcoming event, which will also feature wrestlers from Cape Town and Johannesburg. The local wrestlers are confident in their abilities and are also doing their bit for the community by training youngsters as well. Events of this magnitude are sure to be a tremendous success, so residents are encouraged to attend and support their fellow wrestlers. For more information, call 031 404-3636.

EVIL SPIRITS & WITCHCRAFT

Evil spirits are attacking people's lives. When evil attacks your life everything starts to go wrong. (Eph 6:12; Luke 11:24) They are real. Evil spirits attack your marriage and relationships. You won't see eye to eye with people you love. You will always be having money problems. Things will just go wrong and you won't know why.

These are the things that will happen to you:

- You will have regular HEADACHES. You will feel heavy and always tired. You will have sicknesses that doctors can't explain.
 - Regular NIGHTMARES about SNAKES, BLOOD, DEATH and you will see DEAD PEOPLE, or you will be chased in your dream.
 - MOOD SWINGS- Sometimes for no reason, it's like you become another person. Even children start to behave abnormally when affected.
- You already know that something is not right. People will always tell you that there is some evil but they had no answers. People may think that you are not trying but what they don't know is that something else is in control of your life.

Through Christ, I have the answers. I know about the secret world of spirits. I have written a book TAKING BACK CONTROL (DEPRESSION).

You have to go to my website: www.maistry.net and download this book FOR FREE You are welcome to come to our :
