## 250W Electric Skateboard

This electric skateboard offers all the benefits of cruising on a long regular board, with even weight distribution, with the added advantage of a quiet running powerful electric motor. It works like an old-fashioned skateboard and you change directions by shifting your weight around on the board. The speed is controlled by an infrared handheld device which works in close proximity to the board; pull back on the trigger to accelerate and push forward for the anti-lock brake.

- Up to 11 mph
- Automatically self-testing
- Fully controllable with solid rubber wheels
- 250W Motor
- 12V 7Ah 2 piece detachable batteries
- Charge time of 3-4 hours
- Switch between power settings
- Maximum load capacity: 80kg
- Supplied with tool kit and wireless robust controller

• Suitable for off road use only  
NB: It is recommended that suitable protective clothing be worn at all times

**£75**

## Colour 25MHz Digital Oscilloscope

**Model: PDS5022s**  
A general purpose 2 channel digital oscilloscope with a large 7.8" colour display making it ideal for education and industrial environments.

- 7.8" Large colour display (640x480 resolution)
- USB Connection
- Bandwidth: 25MHz
- Modes: Normal, Peak Detect & Averaging
- Sample Rate (real time): 100MS/s

Supplied with 1 pair of 1:(10:1) passive probes, USB cable, power cable, instruction manual, driver cd and an adjusting probe compensation pen

**Technical Data**

Input	DC, AC
Coupling	1MΩ ±2% in parallel with 20pF ±3pF
Impedance	1X, 10X, 100X, 1000X
Probe Attenuation	300V (PK-PK) CAT II
Max. Input Voltage	
Horizontal System	10S/s - 100MS/s
Sampling Range	Max. 5k points
Record Length	5ns/div - 50s/div
Timebase Range	100ppm
Timebase Accuracy	
Vertical Resolution	8-bits
Sensitivity	5mV/div - 5V/div
Position Range	±10div (5mV/div - 5V/div)
Rise Time	±14 ns
DC Gain Accuracy	±5%
Triggering	
Source	CH1, CH2, EXT
Mode	Edge, Video
Trigger Sensitivity	Internal: 2 div, EXT: 400mV
Measurements	
Cursors	ΔV, ΔT
Auto	Pk-pk, Averaging, RMS, Frequency, Circle
Waveform Maths	+, -, Inverted
Waveform Storage	4 Waveforms, 4 Settings
Probe Compensation	Output
Output Voltage	Approx 5V, PK-PK±1M Loading
Frequency	1kHz Square Wave
General	
Power Supply	100 - 240V AC, 50Hz, CATII
Power consumption	±15W
Dimensions (WxHxD)	350 x 157 x 120 mm

**£179** **NEW**

## Test Tone Generator Speaker & Line Level

This compact tone generator is great for general test and troubleshooting of virtually any audio installation including automotive, residential and distributed commercial systems. Line level audio output is high enough to drive home theater, autosound and prosound inputs, and speaker level output delivers over 1W signal. Dual frequencies enhance use with all types of speaker systems.

- 150mm Heavy duty 18AWG speaker leads with insulated alligator clips
- 150mm RCA leads with gold plated phono sockets for L/R line output connections
- Portable 9V battery operation
- LED power indicator
- Supplied with zip carry case

**Technical Data**

Line output	500mV
Speaker output	3V
Test frequencies	200Hz / 1kHz, Sine Wave
Power	9V PP3 battery (not included)
Dimensions (WxHxD)	60x105x27mm
Weight	93.4g

**£15.95**

## Pocket Scales

A set of stylish pocket scales for precision measurements. A folding lid protects the scales and batteries are supplied (2x AAA).

- LCD display with blue backlight
- 500g capacity
- Tare function
- Weighs in g, oz, gn and ct units
- Auto power off
- Dimensions: 80x21x117mm
- Weight: 108g

**£7.95**  
order code IN0553441 516138

## 2.2GHz Veriton PC with Vista Business/XP Pro

**Model: Veriton M464**

- Intel® Pentium® Dual Core E2200 2.2GHz
- Windows Vista Business preloaded
- Supplied with Windows XP Pro downgrade disc (clean install required, all data erased)
- 1GB DDR2 RAM
- 320GB SATA hard drive
- DVD±RW drive
- NVIDIA GeForce 7050 graphics on board
- 7.1 channel audio
- Ethernet 10/100/1000 LAN
- 1 free 5.25" external bay, 4 free 3.5" bays (1x external) and 4x expansion slots (2x PCI, 1x PCI-Ex1, 1x PCI-Ex16)
- Front connections: 5x USB 2.0, mic, headphones, Multi-card reader SD/MMC/CF/SM/xD/MS/MSpro
- Rear connections: 4x USB 2.0, 2x PS/2 mouse & keyboard, DVI-D, VGA, RJ45, serial, 6x audio ports
- Dimensions (HxWxD): 370x183x455mm
- New with 12 months manufacturer's warranty

**Contents:** PC, keyboard, optical scroll mouse, UK IEC mains lead and software

**£245**  
order code SB0366541 526986

## ILOL Drive Scrubber® 2008

- Now goes even deeper, wipes free space as well as file slack space for the ultimate in privacy protection
- Selective file incineration allows secure deletion of individual files, documents and folders
- Exceeds all known government and military file deletion standards
- Permanently erases all traces of data from your hard drive
- Eliminates all remnants of even the most stubborn viruses and spyware
- Includes bootable CD-ROM and floppy disk creator for full-drive wipes
- Wide range of advanced wiping options and techniques
- Easy-to-use interface
- Support for multiple hard drives and partitions
- Unlimited email, phone, and web support
- For up to three PCs
- Supports Win 98/ME/2000/XP/Vista

**£15.75**

order code CS1562341 498476

## NAS Network Adaptor For USB Hard Drives

- Powered USB adaptor to convert any USB hard drive into a network storage device
  - Supports USB mass storage specification
  - Supports FAT32 and NTFS file systems
  - 10/100 Mbps Ethernet port
  - Easy configuration through web based GUI
  - DHCP server
  - FTP server, up to 5 FTP users at once
  - Samba server, up to 64 clients online
  - Works with Win 2000/XP/Vista
- Contents: Adaptor, mains power supply, ethernet cable, user guide on CD

**£27.95**

order code CS1677741 524842

## Nintendo Wii Steering Wheel and Stand

- Detachable steering wheel with stand for Wii Remote control
- Lightweight and foldable design for easy storage
- Compatible with all Wii tilt controlled driving and flying games
- Suction pad for extra stability

**£7.65**

order code CS1662241 519450

## 500GB External HDD

- 7200 RPM spindle speed
  - 480Mbps transfer rate
  - Strong aluminium casing
  - USB 2.0 interface
  - Powered by AC adaptor (supplied)
  - Dimensions (HxWxD): 30x117x200mm
- Contents: Drive, AC adaptor, USB lead and user guide

**£59.95**

order code SB0336941 500976

## 22x DVD Rewriter with SecurDisc™

- Model: GH22NP20
- DVD write: 22x ±R, 16x DL±R, 16x +RW, 6x -RW, 12x RAM, 16x read
  - CD write: 48x R, 32x RW, 48x read
  - SecurDisc™ technology provides data security and advanced data recovery facilities
  - 2MB buffer with underrun protection
  - Black and ivory bezels supplied
  - ATAPI/ EIDE interface
  - Supplied with Nero 7 software suite including SecurDisc support
  - Supports Win 2000 Pro/XP/Vista
- Contents: Drive, software, user guide, screws and bezels
- Note: SecurDisc is not compatible with Vista 64-bit

**£19.95**

order code CS1665641 522120

## LightScribe 20x USB 2.0 DVD±RW DL Drive

- Model: SH-S204N/EUBN
- LightScribe allows adding an image or text to the disc surface using just the drive
  - DVD write: 20x ±R, 16x +RDL, 12x -RDL, 6x -RW, 8x +RW, 12x DVD-RAM: 16x read
  - CD write: 48x -R, 32x -RW: 48x read
  - Hi-speed USB interface
  - 2MB buffer
  - Buffer underrun protection
  - Firmware upgradeable
  - Horizontal/vertical mounting
  - Supports Win 2000/XP/Vista
  - Dimensions (HxWxD): 50x163x232mm
- Contents: Drive, AC adaptor, USB 2.0 cable, software and user guide.

**£18.50**

order code CS1618041 515252

## USB To HDMI Adaptor

- Model: Grand HD Cinema
- Play videos stored on your PC on any HDMI enabled TV
  - The adaptor connects to USB port, then one HDMI lead (not supplied) will transmit audio and video signals to your TV
  - The computer monitor can show either the same display as the TV or a different function
  - Supports HDTV up to 720p and resolutions up to 1600x1200
  - Plug and play
  - Powered by USB (2 ports needed- 1 for data, 1 for power)
  - USB 2.0 and HDMI interface
  - Supports Win 2000/XP/Vista (not Vista 64-bit)
- Contents: Adaptor, USB connection lead, software and user guide

CS1665741 USB to HDMI Adaptor **£249.13**

AV1478241 HDMI Lead 2m **£2.49**

AV1478441 HDMI Lead 5m **£4.07**

## LCD Digital Photo Keyrings

- Carry your favourite digital pictures everywhere on your keyring
- 1.5" CSTN LCD display (128x128 pixel)
- View one picture at a time or use slideshow mode
- Stores up to 50 images
- USB interface
- Supports JPG, GIF, PNG, TIF and BMP images
- Powered by 3.7v Li-ion battery, rechargeable via USB
- Dimensions (HxWxD): 65x55x20mm

**£9.25**

CS1677441 Black  
CS1677541 Silver  
CS1677641 Pink

## Wireless Vista Remote Control

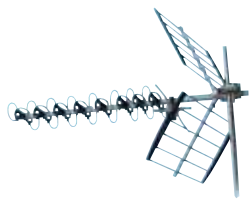

- Model: RC-2400
- Wireless remote control with 49 media buttons to control your Windows Vista® Media Center PC
  - Control movies, music, photo albums and other Vista Media Center functions from across the room
  - Microsoft® certified
  - Includes mini USB infrared receiver and extension cable for a wireless range of up to 7 meters
  - Plug and play
  - Supports Win Vista Home Premium or Vista Ultimate (32 or 64bit)
- Contents: Remote control, USB receiver, extension cable and user guide

**£16.95**

order code CS1528541 484089

## 'Infinito' UHF Wideband Antenna

The 'Infinito' is the new 38 element, wideband Yagi type antenna from Televes for the UHF bands. Features include:

- High gain (ideal for DTT)
- Reduced size
- Circular elements, double array configuration on the horizontal plane
- Good front-to-back ratio
- Easy mounting and installation
- Separate junction box for easy cable connections, easily secured to the antenna
- Robust construction

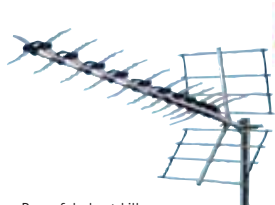

<b>Technical Data</b>	
Elements	38
Channels	21-69
Gain	14.5dB
Length	1044mm

526171

## Dual-Mode Four-Way Outdoor UHF Amplifier

**PROception**

- The unit has two modes of operation, allowing it to be used either as a four-way aerial amplifier for off-air signal distribution, or as a return-path amplifier for distribution of the UHF loop-through output of a Sky or Sky+ receiver. In return-path mode full support is provided for remote infrared receivers (eyes).
- Dual-mode low-noise amplifier with automatic mode selection
  - Excellent input filtering below 470 MHz to reduce the risk of interference problems from CB, PMR, TETRA, etc
  - Robust fully-screened amplifier module with corrosion resistant finish
  - Mast or wall mounting
  - F connectors for reliable connection and high screening integrity
  - Ideal for both digital and analogue applications

**£12.92**

order code AP0183641

474038

## 4-Way Distribution Kit

**PROception**

- Enables you to distribute television signals from your main aerial to four TV sets around the home
  - Makes high quality reception available on all sets
- Kit contents**  
Wideband 4-way distribution amplifier, coaxial cable (25m), cable clips and plugs, outlet boxes (3), flyleads (4), combiner/splitter.

**£15.50**

order code AP0182141

## SLx Gold Plug-thru Signal Boosters

**SLx**

- Can share the same power socket as the TV
- Designed to prevent the booster obstructing the adjacent socket
- Slide mounting terminals provide easier cable management
- Infra-red by pass for digilink (2-way only)
- Variable gain control
- Surge protection

AP0150141	1-Way	£9.98
AP0150241	2-Way	£10.98

## TV/FM Extension Kits

**COMMETEL**

- TV/FM cable extension kit
  - Provides everything required to extend coaxial cables around the home and office
  - Available as a 15 or 25m kit
- Kit includes:** 15m coaxial cable, TV 2-way Y splitter, 2 coaxial plugs, back to back coax connector, 15 x 6mm cable clips

AP0187341	15m	£2.99
AP0187441	25m	£3.43

## By Pass Signal Amplifiers

**pro-SIGNAL**

- Designed to improve picture and sound quality for your TV, satellite, or FM signals
- Integrated by-pass design allows you to control digital receivers from any connected TV's using an infrared link device
- Built in short circuit protection
- Easy installation

**Technical Data**

## FS4300 Satellite Receiver

**FORTEC STAR**

- Provides digital free-to-air satellite reception
- No contract or subscriptions required
- Use your redundant Sky dish and plug in
- 5000 channel memory
- 7-day EPG (Electronic Programme Guide)
- Twin SCART video output with RF modulator
- PowerScan function for searching for new channels
- PIG (Picture in Graphic)
- Last channel memory
- Multi-language display
- Fully compliant with MPEG-2 digital and DVB broadcasting
- 950-2150 MHz input frequency
- Upgrading through RS-232 (STB to STB, PC to STB)
- Auto DiSEqC search: 128 satellites
- USALS compatible
- Built-in games: sudoku, othello, tetris

**£38.28**

order code AP0205541

526097

## Satellite Receivers

**TOPFIELD**  
Multimedia Home Cinema

- Model: TF5050CI**
- 1 Common Interface
  - DiSEqC 1.0, 1.1, 1.2 and USALS(DiSEqC1.3)
  - 5000 channels (TV & radio)
  - Service switching time less than 1 second
  - Automatic and manual PAL/NTSC selection
  - Favourite service list editing
  - Scart & RCA A/V output
  - Firmware upgrade OTA
  - Available in black or silver

AP0192641	Black	£39.95
AP0192741	Silver	£39.95

## HD Satellite Receivers

**VISION**

These High Definition (HD) satellite receivers can receive all Free-to-Air channels available through a satellite dish, which includes BBC & TV HD channels, also giving improved picture quality of standard definition (SD) FTA channels by upscaling through HDMI connection.

- Model: HD200**
- Supports MPEG-2, MPEG-4, H.264 and fully DVB compliant
  - 1 Slots common interface for Viaccess, Irtdeto, cryptoworks, nagravision, conax, and others.
  - DiSEqC 1.0, 1.1, 1.2 and USALS(DiSEqC 1.3)
  - User friendly OSD and operation
  - 5,000 Programmable channels
  - EPG(Provider Electronic Program Guide) for On Screen Channel Information
  - Selectable output: 1080i, 720p, 576p & 576i
  - Multiple Video Outputs: HDMI, Component(YPbPr), SCART(RGB, CVBS), Composite(CVBS)
  - USB 2.0 Host (Access to HDD, USB memory)
- Model: HD200 Combo**
- As above with additional Terrestrial receiver built in

AP0205141	HD200	£122.45
AP0205241	HD200 Combo	£154.98

## Satellite Finder

**FORTEC STAR**

- Measure signal strength for easy adjustment
- Operating voltage 13-18 volts
- Frequency 950- 2.400 MHz

**£6.22**

order code AP0204941

## Satellite Motor

**FORTEC STAR**

- Designed for DiSEqC 1.2 satellite receivers
- Compatible with any dish up to 120cm
- LED indicators
- Goto X function - USALS
- Ultra low noise

**£29.78**

order code AP0205041

516190

## USB HD Satellite Kit

**FORTEC STAR**

- HD digital free satellite kit
- USB recording function (PVR)
- Plug your (optional) external hard drive to record digital satellite TV in Standard or High Definition
- No contract or monthly subscription
- HD upscaling for standard definition
- HDMI or component connections
- Pick up thousands of free digital TV stations from multiple satellites including HD broadcasts
- Preloaded with 250 channels for UK television from the Astra 28.2E satellite
- Receiver with powerscan to simplify channel searching
- Powersearch to keep the channels up to date on standby
- 4,9,16 multi-screen
- Zoom function
- On-screen programming

**£144**

order code AP0205641

526101

## Universal Dual LNB

- Compatible with all the receivers and dishes (an adaptor clip may be needed for an original Sky dish)
- Twin F-coax outputs
- 40mm fixing with feedhorn
- Low noise figure 0.3dB
- Input freq. range: 10.70 - 12.75 GHz
- Output frequency: 950 - 2150 MHz
- 13/17V switchable outputs

**£12.50**

order code AP0203041

515919

## LNB Adaptor Clip

- Attached standard LNB to Zone 1 or Zone 2 Sky Dishes
- Allows you to change single LNB on Zone 1 or Zone 2 to Dual, Quad or Octo LNB

**£3.92**

order code AP0204841

516194

## Auto Scart Distribution Amplifier

- Composite (CVBS), RGB, and S-Video inputs
- Buffer amplifiers ensure crystal clear pictures to all displays
- Signal status LEDs show Power, Signal Status, RGB mode and Widescreen mode
- Voltage and video sensing - detects video on the input
- Microphone input allows the displays' speakers to be used as a micro PA system with both Mix and Mute functions

**£20.95**

order code AV1326641

495930

## HDMI Extender

Extend HDMI cable runs up to a maximum of 50 meters, 20 meters from the source to the extender plus 30 meters from the extender to the TV/Monitor.

- Inputs: HDMI 19-pin female input
- Outputs: HDMI 19-pin female outputs
- Simple Plug and Play
- Supports: VGA, SVGA, XGA, SXGA, UXGA PC resolutions and 480i, 576i, 480p, 576p, 720p 1080i and 1080p HDTV formats
- HDMI 1.1, HDMI 1.2a, HDCP 1.1 and DVI 1.0 compliant
- Dimensions (HxWxD): 42x15x50mm
- Weight: 81g

**£12.15**

order code AV1734141

516903

## HDMI Splitters

- Compact HDMI splitters in strong metal cases
- Full-HD 1080p cascade above 8 layers
- Supports deep colour 36-bit and signal re-timing
- Supports digital audio split in HDMI
- HDCP 1.2 compliant
- Powered by UK mains adaptor
- Dimensions (HxWxD): 1:2- 26x89x46mm, 1:3- 26x115x63mm

521116

AV1792941 1 input 2 outputs **£40.27**

AV1793041 1 input 3 outputs **£65.00**

## 4 Way Headphone Amplifier

Perfect in small studio recording, education, home theater applications, or anywhere that multiple headphones must be driven.

- Input: 1x 6.35mm (1/4") stereo jack socket
- Outputs: 4x 6.35mm (1/4") stereo jack sockets
- Accepts signal from line level source or headphone jack
- Each output includes individual level controls
- Mains Adaptor not included

### Technical Data

Maximum input level	+14dBv
Maximum output gain	20dB
Input impedance	100KΩ per channel
S/N ratio	90dB
THD	<0.008%
Dimensions (WxHxD):	114x41x75mm
Weight	380g

526208

AV1747441 4 Way Amplifier **£18.95**

PW0164741 Mains Adaptor **£2.81**

## Stereo Pre-Amplifier

A mains powered pre-amplifier unit which enables turntables and low current equipment to be connected to amplifiers with LINE level inputs. Suitable for RIAA cartridges.

### Technical Data

Input Impedance	50kΩ
Output Impedance	50kΩ
Gain	34dB
Max. Input	1.8V rms
S to N ratio	50dB
Power	240V ac
Dimensions (WxHxD)	140x45x90mm

**£5.25**

order code AV1274641

475878

## Video Amplifier/Splitter

Allows connection of upto 4 monitors to a single composite video source.

- Suitable for in-car use
- 4 Individual adjustable outputs
- Built-in video amplifier

### Technical Data

Video input	2.0V (p-p)
Output level	0.5 - 1.5V (p-p)
Impedance	75Ω
Power supply	12Vdc
Dimensions	20x104x74mm

**£7.95**

order code AV1181241

462438

## Audio/Video Distribution Amplifiers

Audio/Video distribution amplifiers that provide stereo audio plus composite video to either four or six outputs, suitable for extra television screens/VCRs from a single source.

- Ideal for large homes and installations
- Available 4-way or 6-way versions
- Phono connections
- Powered by 15V, 300mA AC/DC adaptor (supplied)
- Dimension (WxHxD): 180x45x167mm

### Technical Data

Frequency	20Hz to 10MHz
Gain	-1dB+2dB
Isolation	20dB Min.
Return Loss	12dB Min.
Weight	680g

456137

AV1277541 4-Way Amplifier **£15.95**

AV1277641 6-Way Amplifier **£17.95**

## VGA Distribution Amplifier 1 to 2

A highly specified, 1:2 VGA/HD RGBHV splitter for allowing 2x outputs to be fed from a single input whilst maintain signal integrity and strength. Supplied with external power supply and fixings.

- HD signal compatible, 1920x1440 maximum resolution
- 15-pin HD D Type socket connections
- LED power ON indicator
- Metal case with mounting ears for easy attachment under cupboards and lecterns
- Dimensions (WxHxD): 133x95x40mm

**£19.35**

order code AV1816341

516931

## Scart Control

A device which interconnects and electronically switches any three devices (+TV), camcorder, VCR, satellite, etc. This allows the user to record from satellite, camcorder, etc. whilst watching terrestrial TV.

- Parallel phono interface for second monitor or sound output to hi-fi
- Easy to operate, user friendly
- Three push-buttons to select input to view
- Record either inputs B or C on Input A while simultaneously viewing another source

**£2.95**

order code AV1618741

480898

## Auto Scart Switches

A totally automatic signal controller that connects and switches between up to 4 Scart-equipped devices - sensing the play or operating mode of a particular device.

- Simplifies complicated cabling between AV and TV/Display equipment
- TV/Monitor Scart can be used as signal input and output
- Additional phono outputs for connecting to additional TV, display or Hi-Fi system
- RGB input and output (AV1254441 only)
- Ideal for use with TV, DVD, VCR, camcorder, satellite receiver, home cinema or Hi-Fi system
- AV link switch allows viewing of programmes whilst recording from satellite or camcorder
- Indicator LEDs show recording mode
- Silver gunmetal finish
- Dimensions (WxHxD): 180x45x160mm

447898

AV1110441 Scart Switch **£7.25**

AV1254441 Scart Switch with RGB **£7.50**

## 4:1 HD (VGA) Switcher

A great switching device for multi-media or PC. Select one of four VGA or HD inputs and corresponding stereo audio source and connect to your LCD TV, Plasma screen or projector.

- Inputs: 4x 15-pin Dsub and 4x 3.5mm stereo audio jacks
- Output: 15-pin Dsub and 3.5mm stereo audio jack
- Video Format: HD RGBHV, HD YpPr or standard VGA
- IR remote control or RS-232 PC based control
- Front panel LED indication of selected source

**£99**

order code AV1302641

461620

All Prices Exclude VAT

## HDMI Switch, 2-to-1

- Inputs: 2x HDMI 19-pin female inputs
- Outputs: 1x HDMI 19-pin female output
- Easily switch between two signal sources for display on a single screen
- Supports all HDTV formats including 720p, 1080i and 1080p
- HDMI and HDCP compliant
- Push button input selection
- No power supply required

**£7.50**

order code AV1612241

480902

## 4-Way Speaker Switch

A selector switch box for connecting an amplifier to up to four pairs of speakers. Any combination of speaker pairs can be selected for one pair up to four pairs.

- 100W RMS per channel rating
- Standard 8Ω speakers should be used to maintain safe impedance levels for the amplifier
- Standard push speakers terminals

**£7.50**

order code AV1276841

495919

## USB Audio Interface

Use the Interface to record, or to playback audio from your computer through your mixing console or HiFi. Power and data through USB, plug and play no software needed.

- Inputs: 2x Balanced stereo audio via XLR sockets
- Outputs: 2x Balanced stereo audio via XLR plugs
- Accepts analogue sources
- Ideal for mixing, converting and recording
- Supports Win 98/ME/2000/XP or Mac OS 9.0.4, 10.x or later
- Overall length of lead 3m

**£19.95**

order code AV17492041

516887

## Audio/Video Selector Switch - Remote Control

An audio/video source selector switch allowing 6 inputs to be connected to 1 output. The unit is supplied with a remote control handset so the user does not have to leave their armchair when switching between VCR, DVD players, game consoles, SAT receivers etc. Supplied with Phono to Phono and Phono to Scart leads.

- Remote control source selection with a range of 25' (handset requires 2x AA batteries - not supplied)
- Connects up to 6 pieces of equipment to one output and negates the need for constant connection and reconnection
- 4x 3 Phono + S-Video (4-pin MiniDIN) inputs
- 2x Auxiliary Scart inputs
- 3x Phono + S-Video (4-pin MiniDIN) output
- Manual input selection
- Learn function
- Allows recording from DVD players or camcorders even if the TV has only one Scart socket
- Accepts composite video and audio line inputs
- Mains connected
- Dimensions (WxHxD): 290x53x185mm

**£18.95**

order code AV1273841

478053

## Smart Scart Video Source Selectors

Does away with the problems that occur when you have multiple video devices by allowing you to connect several of them to your TV at once. Smart-SCART also has the intelligence to decide which device has been selected, on a priority level basis. A video sensing facility is built in that will enable a video source not equipped with automatic SCART control to play out via the SCART automatically.

### Common Features:

- Fully automatic
- Visual indication of currently selected input
- Smart-SCART:
  - RGB/S-video via all ports
  - Video sense ability on port 4
  - Built-in record loop allows one source to be recorded while watching another
- Smart-SCART-PLUS has the added benefit of having three extra SCART ports, all of which have video sensing capability, two separate audio output connectors for connection to HiFi or home cinema equipment and power save mode.
  - S-Video and CBVS in ports 6&7
  - Multiple smart-record loops
  - Full RGB scart recording loop
  - Videoencoder output option
  - Smart-Cinema port - provides auto blanking for home cinema audio decode systems

**£21.50**

order code AV1326441

495929

## HDMI Switchers

### 4-to-1 type illustrated

- Inputs: HDMI Sockets
- Output: HDMI Socket
- Easily switch between 2, 4 or 8 signal sources for display on a single screen
- Supports 480i/p, 576i/p, 720p, 1080i/p
- HDMI V1.3 and HDCP compliant
- Push button input selection
- No power supply required

### Technical Data

	2-to-1	4-to-1	8-to-1

## Video to VGA Converter

- Inputs:
  - Composite Video (1x BNC)
- Outputs: VGA (1x 15-pin Dsub)
- Supports and auto-detects NTSC, PAL and SECAM video systems
- Deinterlaced output modes: 800x600, 1024x768 or 1280x1024 @60Hz
- Frequency output: 60Hz, 70Hz, 75Hz or 85Hz.
- On screen display function: contrast, brightness, colour, tint, features, resolution.
- Display standard video on computer monitors
- Dimensions (WxHxD): 67x27x145mm. Weight 220g
- Kit contents: Converter, PSU, 0.25m VGA lead and manual

**£30.95**

order code AV1605241

## Component Video (YPbPr)/VGA to HDMI Converter

A simple Component video(YPbPr)/VGA to HDMI converter for AV equipment which do not have HDMI outputs.

- Input: Component video(YPbPr) via 3x phono/VGA sockets + stereo audio (2x phono sockets)
- Outputs: HDMI socket
- Plug and play no software required
- Vertical/horizontal and zoom/pan adjustable options

### Component Video(YPbPr) Resolutions

- 480i/480p (640x480/60Hz)
- 576i/576p (50Hz)
- 720p (1280x720/60Hz)
- 1080i/1080p (1920x1080/60Hz)

### VGA Resolutions

- 640x480 (60/72/75/85Hz)
- 800x600 (56/60/72/75/85Hz)
- 1024x768 (60/70/75/80/85Hz)
- 1280x1024 (60/75Hz)

### HDMI Resolution

- 480i/108p

### Technical Data

- Power supply (Not Included)
- Dimensions(WxHxD)
- Weight

- DC 5V, 1A
- 140x40x34mm
- 280g

Note: Does not support PC RGB VGA inputs

**£39.95**

order code AV1744541

## Digisender DG-300 Signal Extender

An RF transmitter and receiver system that allows video and HiFi stereo signals to be transmitted to a remote location without the need for connecting wires. Ideally suited for CCTV systems.

- Easy set-up and no messy wiring
- Sends crystal clear video and Hi-Fi stereo audio
- Connects to equipment via phono connectors and the transmitter has a through adaptor so that existing connections are not interrupted
- Automatically switches to a VCR when tapes are played
- Sends infrared remote control signals back to your Digibox, VCR, DVD, Hi-Fi system
- Additional receivers are available for other TVs and there is no limit on how many of these can be used
- 2.4GHz modulated signals easily pass through walls and ceilings
- Up to 100m operating range (dependent on conditions)
- 4 Channel operation prevents interference from neighbours
- Phase locked loop frequency control means that there is no frequency drift and ensures constant picture integrity
- Optional antennas can extend the range of the system to ½ mile (15dB antenna) or up to 5 miles (26dB antenna)
- AV0907641 Dimensions (WxHxD): 170x40x140mm

Accessories supplied: 2x AC adaptors.

Note: TVs with only an aerial connection will need the additional RF modulator.

## IR Remote Control Extender

Receives IR signals from the remote control and relays them via thin leads to the AV devices to be controlled which could be hidden from sight.

**£8.95**

order code AV1631641

524883

## Wireless AV Sender

Enjoy, watch and control A/V equipment wirelessly anywhere in your house, even through walls and ceilings. The transmitter unit is connected to an A/V source such as a satellite receiver, DVD player or a VCR, and the receiver unit is connected to a TV anywhere in your house. The transmitter sends audio and video wirelessly to the receiver.

- Compact and stylish receiver and transmitter units
- 4 Channel selection switch with LED indicators
- 2.4GHz wireless A/V link
- Receiver/Transmitter Dimensions (WxHxD): 90x22x90mm
- weight: 820g
- Kit contains: transmitter, receiver, 2x mains adaptors, 2x 3.5mm 4 pole plug to scart plug leads and IR remote transmitter

**£18.95**

order code AV1734341

516904

## Plug-in Wireless AV Sender

A 2.4GHz wireless transmitter and receiver system that allows video and hi-fi stereo signals to be transmitted to a remote location without the need for connecting wires. The system also includes an infrared link that allows a user at the remote location to control the equipment at the transmitter side with the existing remote control.

- Range of up to 80m
- SCART-LOCK system ensures secure connection

**£19.95**

order code AV1253941

AV1254041	Spare Receiver	£12.50
AV1254141	Hinged Scart Adaptor	£1.50

## POWERMID PLUS Wireless Remote Control Extender

- Control any AV source from a distant TV, with your existing remote control, even through walls and ceiling!
- Controls remote devices by sending RF signals to the remote receiver which then transmits them by IR to the target device
- Range up to 30m
- 1x Transmitter: converts IR signals of the remote control into 433.92MHz RF message and transmits them to the receiver
- 1x Receiver: converts RF message into IR signals to control the selected AV source

**£12.25**

order code AV1631541

## Digi-Eye IR Extender

A remote control signal extender suitable for controlling NTL or Telewest digital cable from another room. The unit incorporates the revolutionary digi-eye technology guaranteed to send remote signals from all digital cable receivers. The unit also works with virtually all VCRs, DVD and satellite receivers and provides the longest range possible.

**£35.50**

order code AV0769841

475882

## Intelligent Infrared Remote Control Relay

Model: Smart-Blaster and Smart-Eye  
Allows the remote control of AV equipment from anywhere in the house, when used with the Smart-Eye remote control extender which fits in line with the aerial coax cable from the receiver/media player. The unit converts the signal from the coax aerial cable into a strong infrared signal from its faceplate that is powerful enough to bounce-back in all but the toughest locations to control various equipment, allowing all the equipment to be kept in one place/cabinet. Supplied with a power supply and an aerial patch lead.

- Put all your AV kit out of sight and control it all from a remote location, not just limited for use with a Sky Digibox
- Aerial loop through from the receiver
- Removes the necessity for lots of little strap-on IR emitters.
- Sky only or Universal connection options, works with Sky Satellite (including Sky+ and Sky HD), Virgin, Freeview, IPTV, PVRs, DVDs, Media PCs, web browsers etc
- Very small pickup and emitter
- High power IR output
- Ultra stable IR frequency
- Low power consumption (12mA idle, 50mA active), can be powered from a Digibox if necessary

AV1798941	SMART-BLASTER	£18.95
AV1327041	SMART-EYE	£4.10

## SkipDR™ CD & DVD Repair Systems

Accessory kit: Consists of replacement fluid, replacement wheel, drying cloth and buffering square. Note: Suitable for use with standard 12cm discs

Using a patented FlexiWheel™ and specially formulated rejuvenating fluid, you can resurface and restore scratched and skipping audio CDs, movie DVDs, game, photo and data discs while leaving the media information unaffected.

- Restores any type of scratched disc to perfect working order
- Works in under a minute
- 3 Easy Steps: Spray, Spin & Shine
- Integrated storage for the accompanying accessories
- Supplied with resurfacing fluid, drying cloth, buffering square and operating instructions
- Safe to use - does not damage data layer of disc

### SkipDR™ Classic

Simply spray the play-side of disc with the rejuvenating fluid provided, Spin the disc in the SkipDoctor™ device using the handle at the side, Shine the play-side of disc firmly with the buffering square while on top of the drying cloth.

### SkipDR™ Deluxe

A motorised version of the SkipDoctor™ Classic. Uses 6x AAA batteries or 9V, 1A DC adaptor (both not supplied)

### SkipDR™ Premier

Features a completely automatic design - the device turns on, repairs the disc and ejects when complete using a smooth motorised action, it restores your discs to perfect working order in under a minute. Requires 6x AA batteries (not included). Uses 6x AAA batteries (not supplied) or 9V, 1A DC adaptor (supplied)

- Adjustable headband and pivoting earcups

**Technical Data**  
 Frequency Response 20Hz - 20kHz  
 Impedance 32 Ω  
 Sensitivity 96 dB  
 Driver Diameter 40mm  
 Power 100mW  
 Cable Length 3m  
 Plug Type 3.5mm Stereo Jack Plug (6.35mm (1/4") Adaptor Supplied)

**£2.95**

order code AV1270841 475942

## Hi-Fi/Monitor Headphones

A pair of high quality, stylish professional monitor headphones.

- Co-axial twin speaker system
- Acoustic design is ideal for studio use
- Swivel earcup for convenient storage

**Technical Data**  
 Frequency Response 18Hz - 20kHz  
 Impedance 82 Ω  
 Sensitivity 104 dB  
 Driver Diameter 57mm Woofer, 30mm Tweeter  
 Cable Length 3m  
 Plug Type 3.5mm Stereo Jack Plug (Gold Plated) (6.35mm (1/4") Adaptor Supplied)

**£8.45**

order code AV1271741 475791

## Stereo Headphones

- Full size, close type ear cup design
  - Padded with soft, low compression-set foam
  - 50mm drivers with Neodymium and a special diaphragm
  - Wide metal slide to adjust headband smoothly
  - Foldable design
- Supplied with two leads (straight & coiled), 3.5mm to 6.5mm gold adaptor and carry bag

**Technical Data**  
 Frequency Response 10Hz - 22kHz  
 Impedance 32 Ω  
 Sensitivity (@ 1mW) 98dB  
 Driver Diameter 50mm  
 Driver Type Neodymium  
 Lead Length 3.1m  
 Connector Type 3.5mm Stereo Jack Plug, right angled, Gold  
 Weight 400g

**£19.49**

order code AV1712741 515675

## Noise Cancellation Headphones

maxell

- Eliminates 95% of background noise
- Ideal for home and travel, especially aeroplanes
- Comfortable, lightweight, adjustable and collapsible
- Drawstring travel pouch included
- Reduces distortion due to over amplification
- 50+ hours operation with 2x AAA batteries (not included)
- Dual prong adaptor for portable and in-flight entertainment systems

**Technical Data**  
 Type Neodymium  
 Impedance 32 Ω  
 Frequency Response 20Hz - 22kHz  
 Sensitivity 102dB  
 Physical Lead Length 1.2m  
 Connector Type 3.5mm Stereo Jack Plug, Right-Angled  
 Weight 60g

**£14.45**

order code AV1340841 488482

## DJ Headphones

SENNHEISER

- Model: HD201
- Powerful stereo sound
  - Rich, crisp bass
  - Good attenuation of ambient noise

**Technical Data**  
 Frequency Response 21Hz - 18kHz  
 Impedance 24Ω  
 SPL 108dB

**£13.95**

order code AV1193141 475794

## Headphone and Microphone Unit

A single side mono headset and boom microphone for multimedia and communications use.

- Stylish titanium finish to match colour trends in personal or laptop computer designs
- Fits either right or left ear
- Comfortable and adjustable headband
- Noise cancelling, electret microphone
- Adjustable boom arm
- Terminates in 2x 3.5mm stereo Jack plug

**Technical Data**  
 Driver Ø30mm  
 Impedance 32Ω  
 Microphone Type Noise Cancelling, Electret  
 Power Handling 100mW

**£3.50**

order code AV1272641 496541

## USB Headphones with Boom Microphone

- Comfortable headband and soft ear pads
- Goose neck microphone boom
- Light weight
- USB 2.0 plug and play

**Technical Data**  
 Headphone Frequency Response 20Hz - 20kHz  
 Impedance 32 Ω  
 SPL (@ 1mW) 105dB  
 Driver Diameter 38mm  
 Microphone Type Electret Condenser  
 Physical Lead Length 3m  
 Connector Type USB 2.0 Plug, Gold  
 Weight 210g

**£8.50**

order code AV1714041 515679

## Stereo Headphones with Boom Microphone

A pair of heavy duty headphones with an adjustable padded headband, flexible boom microphone and large padded earcups. Ideal for multimedia, communication, public address, education or other applications where a hands-free design is required. Supplied with 2.5m cable terminating in 2x 3.5mm Jack connectors.

**Technical Data**

## USB Turntable with Universal iPod Dock

Model: LPDOCK

The easiest way to get your music off your vinyl records and on to your iPod. Just dock your iPod on LP DOCK and you can record your vinyl right into your iPod. It's simple. It's easy. You don't even need a computer to make it happen.

The LP DOCK has a standard USB connection so you can turn your records into MP3s on your computer and record them to CD or listen on your computer.

- Record directly to iPod (5th gen & Classic) and iPod nano (2nd or 3rd gen)
- Record directly to your computer via USB
- Works with all docking iPod models when used through iTunes
- 33 and 45 RPM belt-drive turntable (78 RPM using bundled software)
- Line-level RCA outputs (built-in phono preamp)
- 3.5mm Stereo input for recording external sources
- EZ Vinyl Converter 2 software (PC) and EZ Audio Converter (Mac) for hassle-free recording
- Audacity recording (PC and Mac) software included to reduce vinyl noise and pops
- Easy to set up - No special drivers needed
- Supplied with USB cable, 45 RPM adaptor, software CD and a quick start user's manual.

iPod shown for illustration purposes only.

## USB Turntable with Direct-To-CD Recording

Model: LP2CD

The fastest, easiest way to convert your vinyl records to CDs with none of the hassle of connecting a computer.

Play your album into LP 2 CD and record one or more CD copies in the internal CD burner. You can also connect your computer and easily transfer your music to your iTunes, iPod, or MP3 player. Just place your vinyl on the turntable and insert a blank CD, play your vinyl, hit the record button and let LP 2 CD do the rest!

- All-in-one: built-in CD recorder copies music from vinyl
- Copy entire albums or make your own custom mix CDs
- Works stand-alone, or connected to your computer
- Includes EZ Vinyl Converter 2 software (PC) and EZ Audio Converter (Mac) for hassle-free computer recording
- Included sound editing software helps you remove noise, clicks, and pops from worn recordings
- Belt-drive turntable with premium tonearm and cartridge
- Records on blank Audio CD-Rs
- USB audio interface (44.1kHz, 16-bit), Mac and PC compatible

**£250**

order code AV1828641

## Super Lightweight Earhook Microphone

Far more unobtrusive than headband-based systems and very popular particularly in theatres and with costumes. For speech applications which require the simultaneous use of headphones, the earhook system is more comfortable to wear and more flexible to use.

- Practically invisible
- Highly sensitive condenser microphone
- Wide transmission range
- Flexible microphone stem allows you to easily adjust the microphone's position
- Different connector types available
- Supplied with windshield/pop noise head

**Technical Data**

**Pick-Up Pattern** Omnidirectional  
**Frequency Response** 20 to 20kHz  
**Impedance** 1.1kΩ ±30% @ 1kHz  
**Sensitivity** -65dB ±3dB (0dB = 1V/microbar)  
**Operating Voltage** 1 - 10V dc (RL: 2.2kΩ)  
**Colour** Light Brown  
**Cable Length** 1m  
**Weight** 3.4g (w/o cable and plug)

	Connector Type
MP3389941	3.5mm Jack Plug (90°)

## VHF Wireless Microphone Kits

Models: KWM11A&B

Mic Systems:

- Dual VHF microphone system
- Power LED
- Receiver signal status LED
- 2 x balanced XLR individual outputs
- Combined unbalanced 1/4" jack output
- Individual channel A & B level controls
- Range 50m
- Mic power on/off switch
- Mic mute/on switch
- Mic signal status LED
- Mic battery status LED
- 50kHz bandwidth

VHF Body Packs

- Versatile VHF body pack system
- Can be used for headset or lavalier mics
- Internally switchable to guitar/instrument level input
- Non diversity VHF wireless
- Belt clip transmitter system
- Lavalier & headset microphones included
- 1/4" jack instrument cable included
- Internal DIP switch gain adjustment

Model: KWM11A

- RF frequencies available: 173.8/175.0

Model: KWM11B

## Portable PA System With iPod Dock

Model: IPA03

Whether it's an outdoor party, gig, business meeting or sporting event, the IPA03 portable speaker system is the perfect mobile solution for traveling musicians, entertainers and event coordinators.

- Connecting microphones, instruments, CD/MP3 players, and iPods
- High-output powered mountable 2-way speaker system
- Built-in rechargeable battery with level indicator lasts over 6 hours at high volumes
- Outputs high-fidelity sound to over 150 feet
- Enhanced bass output creates a full, rich sound
- Professional quality microphone included
- Heavy-duty aluminum construction
- Two-wheel system with retractable handle for easy portability
- 35mm PA speaker stand mountable

**£114.95**

order code DP2972941

479657

## Portable PA System

Model: STAGEPAS 300

This portable PA system has 8 channel (including 4 microphone) inputs and delivers a very respectable 300 watts of high-quality power to the supplied pair of compact speakers. The powered mixer is normally stored in the rear of one of the speakers and can be detached (the only tool you need is a coin) for convenient operation.

- 150W + 150W class D type power amplifier
- Eight input channels: four mono microphone/line inputs and two stereo line inputs
- XLR and 6.35mm jack inputs on mono channels, and 6.35mm jack and RCA phono inputs on stereo channels
- MIC/LINE switches select microphone or line level input matching for channels 1 through 4
- Auto Limiter prevents overload damage to power amplifier and speakers
- Additional line outputs for powered speakers for monitoring, or to send the mixer's output to a recording device
- Speakers can be stand mounted using standard speaker stand adaptors
- Built-in equalization and reverb add the finishing touches to your sound
- Speech mode
- LED output level meter
- Supplied with a pair of passive speakers, detachable powered mixer and a pair of speaker cables - everything you need except for your sources

**£295**

order code DP3052241

525107

## Stereo Power Amplifier - 1000W

Model: STA-750

- Fan-cooling
- Speaker switch-on delay
- Protected against short circuit, overheating and DC voltage overlay at the outputs due to protective circuit with LED indication
- 2 Level controls
- 1 LED per channel for overload (clip)
- Ground lift switch
- Inputs: 1x 6.3mm jack L/R, 1x RCA L/R
- Outputs: 2x speaker, 1x 6.3mm jack L/R, 2x pair of screw terminals

**£92.50** **NEW**

order code DP3052141

## 2x 400W Powered Mixer

Model: PMH80S

- Super-compact 2x 400 Watt (800 Watts bridged mode) stereo powered mixer
- COOLAUDIO Amplifier Technology: Enormous Power, incredible performance and light weight
- Ultra-compact dimensions at nearly half the depth and weight of conventional powered mixers
- 10-Channel mixer section comprised of 6 mono and 2 stereo channels plus separate tape returns
- 2 Independent 24-bit stereo FX processors with 99 outstanding VIRTUALIZER presets including reverb, delay, chorus, flanger etc
- Revolutionary FBQ Feedback Detection System
- 8 Mic preamps with switchable +48V phantom power for condenser mics
- 3-Band EQ
- Voice canceller function
- Selectable stereo (main L/R), double mono (main/monitor) or bridged mono amplifier operation mode
- Speaker processing function
- Standby switch mutes all input channels except tape input
- Adjustable stereo aux input
- Rack mount brackets included

## 3 Zone Stereo Mixer

A 3 zone stereo mixer ideal for mobile DJ, Karaoke and installation into pubs and retail environments. The 3 zone output and routable input channels provide a flexible mixing console ideal for use with multi-zone speaker systems.

- 6 input channels (4 stereo, 2 microphone)
- 3 zones with routing of all input channels as desired
- Recessed gain controls for all input channels
- Microphone channels with 2-way tone control, talkover, and PAD switches
- Switchable stereo channels: 2x Phono/line and 2x line/line
- Zone outputs, each with 3-way equalizer, LED level display with stereo master, balance control, pre-fader listening (PFL), and mono/stereo selector switch
- Adjustable headphone output with pre-fader listening (PFL) to the stereo input channels and the zone outputs
- Connection for a BNC gooseneck lamp
- 19" 4U rackmount case
- Dimensions (WxHxD): 482x177x105mm (4U)
- Weight: 3.75kg

## 7 Channel DJ Mixer

Model: VMX1000

- Dual auto-BPM counter
- ULTRAGLIDE faders
- VCA-controlled crossfader
- 3-Band kill EQ (-32 dB) with EQ on/off switch on stereo channels, gain control and precise level meters per channel
- Monitor function with PFL/main balance control and split option
- Auto-talkover function with separate depth and sensitivity control
- Subwoofer output with adjustable x-over frequency and level control
- Balanced main and additional zone outputs

Additional manual features:

- 5 Dual input stereo channels, 2 U/LN microphone channels with MIC ON switch and effects send facility
- Phono inputs on channels 1 - 3 can be switched to line level
- Gold-plated RCA sockets

**£114.95**

order code DP2857141

## XENYX 1832FX Mixing Console

- 6 State-of-the-art XENYX Mic Preamps
- Neo-classic "British" 3-band EQs with semi-parametric mid band
- Studio-grade 24-bit stereo FX processor
- USB/Audio Interface included
- 9-Band stereo graphic EQ
- FBQ Feedback Detection System
- Breathtaking XPQ 3D stereo surround effect
- Voice Canceller function
- Channel inserts on each mono channel
- 3 aux sends per channel: 1 pre fader for monitoring, 1 pre/post fader switchable for monitoring/FX processors, 1 post fader (for internal FX or as external send)
- Peak LEDs, mute, main mix and subgroup routing switches
- Solo and PFL functions on all channels
- 2 Subgroups with separate outputs
- 2 Multi-functional stereo aux returns
- Balanced main mix outputs with 1/4-inch jack and gold-plated XLR connectors
- Separate control room
- Headphones and stereo tape outputs
- Tape inputs assignable to main mix or control room/phones

## SC4000E 3-4 Channel Sound Chaser

The SC4000E offers all the features of other NJD small lighting controllers, but in one compact unit. Features such as Standby Mode (all lamps off, without switching off the mains) and selectable 3 or 4 channel operation make this unit an ideal choice for numerous applications. The SC4000E also has a switchable sound to light operation via internal mic or line input.

Twin Bulgin sockets on the back of the unit allowing quick connection, and a newly designed fascia artwork go to make the SC4000E the ideal, multi-purpose budget lighting controller.

- 3 or 4 channel mode
- Chase to sound
- Chase speed selection
- Selectable internal mic or line input
- Robust, compact design

### Technical Data

## Roomba 560 iRobot Roomba Vacuum Cleaner

- The Roomba 560 cleans automatically so you don't have to! Improved navigation, floor coverage and new edge brushes ensure that all nooks and crannies are properly cleaned. Anti tangle brush systems ensure that tassels, rugs and cords do not get caught. When it is finished the Roomba 560 will find its own way home to dock and recharge.
- Maps the room and calculates how long it needs to clean the area
- Automatically adjusts from carpets and rugs to hard floors
- Powerful suction and rotating brushes for top quality cleaning performance
- Light-touch navigation senses obstacles and slows Roomba before the bumper makes contact
- Voice introduction and instructions
- Avoids stairs and drops. Sensors detect stairs and drops and re-direct Roomba to safety
- Safe with pets and children. If Roomba is pushed over or picked up it stops instantly
- Quick and simple to use

## 3x42 Sea Wolf Waterproof Night Vision Monocular

The 3x 42 Sea Wolf is fully waterproof, featuring a high grade V8 Gen 1 tube, the unit has a built-in powerful IR Illuminator for use in very low light/total darkness. Power for the scope and IR is provided by 1x 3V Lithium CR123A battery (not supplied). Offering 3.0x image magnification, the Sea Wolf features a 20° angle of view. A green LED by the viewfinder indicates when the intensifier tube is 'On' while a red LED indicates when the IR Illuminator is also switched on. A double tripod socket on the base allows the fitting of an optional Digital Camera Adaptor

(for compact digital cameras) or Headmount Kit. The optional 100mW High Power IR Flashlight can also be fitted. Yukon's optional Directional Sound Amplification System (DSAS), a hyper directional microphone, can be attached so that you can listen to, or record, the subject you are observing.

Please note: this unit has a non-removable eyepiece so cannot be used with the SLR Camera Adaptor.

- 3 Year Manufacturer's Warranty
- Case included (belt mountable)
- Accessories available

## Ultrasonic Pest Repeller 500 3 Pack

The revolutionary Electronic Ultrasonic Pest Repeller has produced an innovative breakthrough in pest and rodent control. Fluctuating ultrasonic sound from high to low, targets different pests that react more strongly to these higher and lower frequencies. Low ultrasonic sounds usually affect larger animals such as mice and rats. Higher ultrasonic waves are more disturbing to smaller pests such as insects. Simply plug the unit into an unobstructed wall outlet. Coverage in a room can be improved by bouncing sound off reflecting objects, such as walls, cupboard doors, and appliances. This ricochet pattern will increase effective coverage without affecting pets and appliances. The ultrasonic waves may affect rodent pets such as hamsters, gerbils and rabbits.

- Designed to repel rats, mice, ants, cockroaches and spiders
- Each unit covers approx. 46.5m<sup>2</sup> (500ft<sup>2</sup>)
- CE approved

**£16.58**

order code LH0049041

## USB Experiment Interface Boards

**K8055 / VM110**  
The K8055 interface board has 5 digital input channels and 8 digital output channels. There are also two analogue inputs and outputs with 8-bit resolution. The number of inputs/outputs can be further expanded by connecting up to 4 more cards to the PC's USB connectors. All communication routines are contained in a Dynamic Link Library (DLL). You can write custom Windows (98SE, 2000, ME, XP) applications in Delphi, Visual Basic, C++ Builder or any other 32-bit Windows application development tool that supports calls to a DLL. Also available as a mounted version - VM110.

- 5 Digital inputs (0=ground, 1=open) (on board test buttons provided)
- 2 Analogue inputs with attenuation and amplification option (internal test +5V provided)
- 8 Digital open collector output switches (50V/100mA max.) (on board LED indication)
- 2 Analogue outputs
- 0-5V, output resistance 1K5
- PWM 0-100% open collector outputs max. 100mA/40V (on board LED indication)
- General conversion time: 20ms per command
- Power supply through USB: 70mA approx
- Diagnostic software with DLL included
- Dimensions (WxHxD): 145x20x88mm

499876  
HK0085141 K8055 £20.95  
HK0104541 VM110 (Mounted) £29.78

## MK155 Programmable Magic Message

**HELLO**

- Wave the wand to make the message appear
- Pre-programmed messages
- Enter your own 7-character messages
- Excellent visibility due to high intensity red LEDs
- Low power consumption
- Auto power off

**£9.35**  
order code HK0081741 467672

## 'Power House' Energy Efficient Model & Experiment Kit

Power House provides an engaging introduction to regenerative energy sources and sustainable living, while teaching basic concepts in physical science. By building a model house and 20 other energy related devices, you will learn about energy from the sun, wind, plants and electrochemical reactions. The kit creatively integrates physical science with the story of a group of island dwellers learning to live sustainably on a remote island. As you read the story you perform the same projects alongside them, with the 96 page manual guiding your experiments and activities.

- Includes 20 building projects and 70 experiments
- Build a model house complete with solar panels, windmill, greenhouse, and desalination system
- Build and operate an electric train, windmill, solar cooker, solar hot water tank, hygrometer, electric motor, power hoist, sail car, and more
- Plant watercress, prepare sauerkraut, and make chewing gum
- Learn how plants convert sunlight into energy for your body and your engines
- Suitable for ages 12 and above
- May require additional items for certain experiments, such as 2x AA rechargeable batteries, seeds, tea light candles

**£115**  
order code HK0105541 500948

## 75-in-1 Electronic Project Set

Learn basic principles of electricity, electronics, physics and magnetism. This project kit includes everything you need to build a timer buzzer, electronic organ, motion detector, voltage detector, logic tester and much more. Illustrated lab-style manual included. Requires 4x AA type batteries(not included).

**£23.35**  
order code HK0076441 526137

## MK127 Running Microbug

An attractive, brightly coloured, bug-shaped miniature robot that is so hungry for light, that it always drives towards it. Features include two open chassis sub-miniature motors, adjustable light sensitivity (to suit almost any light condition) and LED eyes that indicate driving direction. The bug will stop in total darkness.

**£7.48**  
order code HK0073241 502423

## Discrete Power Amplifier 200W

**K8060**

- Fully discrete design using Epitaxial Darlingtons transistors
- Ideal for active speaker system or subwoofer, guitar amp, home theatre systems, instrument amp, etc.
- DC supply circuit on board with LED indication
- Overload and short-circuit protection
- Comes complete with transistor isolators, spacers and bolts
- PCB Dimensions (LxW): 107x62mm

**£12.76**  
order code HK0105041 474248

## "Escape" Robot Kit

The Escape Robot Kit works just like an A.I. robot. It never fails to find its way out of a maze.

- Uses 3 IR emitting diodes and 1 IR receiving module to detect obstacles
- Built in Microprocessor allows it to think on its own
- Moves about on 6 legs
- Comes with 2 sets of differently designed legs that move in their own distinct way
- Dimensions: 140x150x100mm

**£18.35**  
order code HK0096841 484120

## WMA/MP3/CD-Receiver

**Model: KDC-W312SAY**

- 4 x 50W Max output power
- CD-R/RW
- Compatible, MP3 Playback with ID3 tag display
- WMA (Windows Media Audio) Playback
- Multi-session disc playback
- RDS FM/AM, auxiliary input
- Switchable rear subwoofer preout
- Full detachable faceplate
- 14 Segment fluorescent (FL) tube display
- Russian character display

**£47.50**  
order code CP0469241 522266

## PMR Radios

**Model: MT975**

- 8 PMR Channels
- 121 Privacy codes, 38 CTCSS and 83 DCS
- Up to 12km range
- VibrAlert® provides a silent alert for incoming calls
- VOX (Voice Activated Transmission) with 5 VOX sensitivity levels
- Baby monitor
- Dual watch
- 10 Channel memory
- Call alert (10 selectable tones)
- Roger beep tone (selectable on/off)
- Backlit LCD display
- Scan
- Battery power saver, battery level meter
- Intercom capable
- Keystroke tones, Key lock
- Dimensions (WxHxD): 59x144x29.4mm (including antenna)
- Weight: 107g (without batteries)

Supplied with 4 rechargeable alkaline batteries per radio, Rapid desktop charger and instruction manual.

order code IT4490741 526195

## 2500 Channel Hand-Held Scanner

**Model: UBC 230XLT**

- 2500 Channel memory
- Close call
- Alpha tagging
- Quick key system access
- CTCSS/DCS rapid decode
- 10 Search ranges
- Auto search and store
- Backlit display
- Powered by 2x AA batteries (can be charged internally)
- PC Interface
- Priority scan
- Attenuator
- frequency range 25-1300MHz

Contents: Supplied with batteries, ac adaptor, antennas, belt clip, wrist strap, headset, PC connection cable, owners manual

**£82.95**  
order code IT4498041 488513

## 7" Widescreen Car In-dash TFT-LCD Monitor

- Single din, in-dash pull out 7" TFT-LCD monitor screen
- Tilts up/down, left/right
- Multi-system: PAL, NTSC, SECAM
- 16:9 or 4:3 aspect ratio
- On Screen Display for options
- Built-in speaker
- Remote control
- 2x Video inputs (phono)
- 1x Audio input (phono)
- 2x AV outputs (phono)
- Rear view camera input on AV 2 (phono)
- Auto power on/off function
- Games
- Calendar

Contents: 7" In-Dash monitor, remote control (including 2 AAA batteries, instruction manual, 12V power cord, AV-Power lead and single din mounting bracket).

**£57.50**

## Amplifier Wiring Kits

EVERYTHING you need for a complete amplifier install, All models include:

- 1 x 17ft clear blue twisted pair balanced oxygen free RCA cable
- 1 x 17ft 18 gauge blue remote cable
- 1 x Gold plated AGU fuse holder
- 4 x 16 gauge gold spade terminals (2 black / 2 red)
- 10 x Cable ties

**Model: IP91- 8 Gauge**

- 1 x 17ft 8 gauge clear silver power cable with gold ring terminal fitted
- 1 x 3ft 8 gauge clear black earth cable with gold ring terminal fitted
- 1 x 25ft 12 gauge clear OFC silver speaker cable
- 1 x 60 amp AGU fuse
- 2 x 8 gauge gold spade terminals (1 black / 1 red)

**Model: IP101- 10 Gauge**

- 1 x 17ft 10 gauge clear silver power cable with gold ring terminal fitted
- 1 x 3ft 10 gauge clear black earth cable with gold ring terminal fitted
- 1 x 25ft 16 gauge clear OFC silver speaker cable
- 1 x 40 amp AGU fuse
- 2 x 4 gauge gold spade terminals (1 black / 1 red)

526234  
CP0468741 IP41 4 Gauge £25.00  
CP0468841 IP81 8 Gauge £18.50  
CP0468941 IP101 10 Gauge £13.00

## Sealed 12" Active Bass box

**Model: MT12ASX**

- 12" Single amplified enclosure
- 12" Subwoofer with paper cone and foam surround
- 40oz Ferrite magnet
- 2" Back aluminium voice coil
- RMS Power: 200W, Max Power: 400W & Peak power: 800W (Amplified)
- Frequency Response: 29 - 250Hz
- Input Sensitivity: 200mV-6V
- Dimensions (WxDxH): 460 x 520 x 365mm

**£89.50**  
order code CP0488041 526008

## Snooper S3 Neo SNOOPER

- Provides advance warning of Gatsos & Truvelo safety cameras, SPECS camera systems, Laser guns & Digital cameras
  - Detection of all fixed monitoring systems and accident blackspots via database
  - 360 degree built-in laser to detect all types of mobile laser speed monitoring systems
  - Download the latest database of co-ordinates via your PC (Min. Win98/2000/XP/ME)
  - No subscription fees or download charges!
  - Countdown LED indicator from 100 to 500m
  - Distance & camera type shown at each accident hotspot or speed monitoring system via GPS
  - Easy fit, mount on dashboard or inside windscreen
  - Powered via cigarette lighter socket
  - Comes complete with all required leads
  - Dimensions: 75 x 105 x 30mm (LxWxH)
- Unit supplied without data loaded. It will need to be registered for downloads from Snoopers web page at [www.performanceproducts.co.uk](http://www.performanceproducts.co.uk)

**£71.25**

order code CP0433541

## S270 Sapphire SNOOPER Plus GPS Speed Camera Detector with Sat Nav

- The most sophisticated GPS speed camera detector system on the market
- Will work in the very worst conditions, never dropping its signal and never missing a camera
- Includes a Sat Nav package featuring full postcode search, turn by turn voice prompts and street level mapping, provided by Navteq
- Provides advanced warning of ALL Fixed Speed Safety Cameras, as well as Accident Hotspots, Mobile Lasers, Congestion Charge Cameras and more
- Two versions available - UK & Ireland or UK, Ireland & Europe
- The 'Enigma' database allows you to download live updates 24 hours a day, every day
- Database includes Speed Limits, allowing the Sapphire to accurately count down to the hazard
- Super bright, full colour 2.8" LCD display so visual alerts can be seen crisply and clearly
- Simple installation, windscreen bracket included

CP0490441 UK & Ireland **£125.95**  
CP0490541 UK, Ireland & Europe **£168.50**

## Alcohol Breath Tester

- Alcohol tester with LCD display showing 3 levels:
- Happy Face: Safe (under 0.02% BAC)
  - Sad Face: Caution (0.02% to 0.05% BAC)
  - Sad Face with Tear: Danger (over 0.05% BAC)
- Audible alert for Danger
  - Torch function
  - Low battery indicator
  - Supplied with 2x AAA batteries
- This product should be used as a guide only, we cannot be held responsible for accuracy of the measurements

**£6.75**

**NEW**

order code CP0490841

526128

## 7" Wireless Reversing Camera System with AV Input

**NEW**

- Easy to fit reversing camera system with AV input
- Plug & Play AV socket - Watch DVDs and play video games
- Wireless technology - no wires from camera to receiver
- High quality colour camera with low light capability, mounts near rear number plate
- 110° wide viewing angle helps you see dangerous blind spots
- 7" colour LCD monitor with brightness and contrast adjustment, mounts on dashboard, sunvisor or back of headrest
- On-screen colour guidelines indicate distance between car and obstacles
- Includes straps for visor/headrest mounting and AV cable

**£127.65**

order code CP0490741

526130

## 12V Car Xmas Lights

- Get into the christmas spirit by lighting up your vehicle with these 12V Snowmen and Santas
- Plugs directly into the car's cigarette lighter socket
- Both come with an adhesive underside to mount on the dashboard
- Height: Snowman - 170mm, Santa - 155mm

448684

CP0433741 Snowman **£1.28**  
CP0433841 Santa

## In-Car Strongbox STOPLOCK

The Stoplock Strongbox is a portable security system that provides secure in-car storage for electronics and valuables.

- Protects sat-nav units, speed camera detectors, stereo fascias and other items
- Unique 10,000 combination double locking system
- Steel inner with an Aluminium casing
- High security 75cm locking cable
- Fully lined interior
- Non slip base
- Provided with two keys
- Outer Dimensions (WxLxD): 160x220x100mm
- Inner Dimensions (WxLxD): 110x190x80mm

**£23.82**

order code CP0404241

## Car Accessories - Pink

A selection of interior accessories from the 'Think Pink' range:

- Machine washable fluffy seat covers with front and rear head rest covers included
- Set of 4 universal car mats in a carpet style finish
- Universal steering wheel covers, universal seatbelt pads and some fluffy hearts and dice to complete the look
- Seatbelt pads, hearts and dice supplied in pairs

CP0454941 Fluffy Hearts (pair) **£1.79**  
CP0455041 Fluffy Dice (pair) **£2.19**  
CP0454741 Steering Wheel Cover **£3.49**  
CP0454841 Seatbelt Pads (pair) **£3.49**  
CP0455141 Car Mat Set **£9.99**  
CP0455241 Seat Cover Set **£25.99**

## Combination Car Mats with 'Lift-Out' Carpet

- Set of 4 universal rubber/carpet combination car mats
- Heavy duty rubber mats with removable carpet (via press studs)
- Carpet removal enables easy cleaning or prevention of soiling, anti-slip backing
- Can be trimmed to fit most vehicles

**£24.98**

order code CP0481341

526232

## Ceramic Car Heater & Cooler

- Instant heat on cold mornings without having to wait for the engine to warm up
- Additional cooling fan to help keep car temperature down on hot days
- 12V Cigar lighter plug with 2m cable
- Measures 130x150x80mm (LxWxH)

**£7.99**

order code CP0330441

462509

## Twin Socket Adaptor

- Converts cigarette lighter to twin sockets for 12V dc accessories
- Complete with 1m coiled extension cord and fused plug
- Gives more flexibility when using 12 V plug-in accessories such as vacuum cleaners and mobile phones

**£1.95**

order code CP0237441

448010

## Heavy Duty Protective Car Boot Mat

- Protects your vehicle's boot from dirt, dust, oil and spillage
- Heavy duty water resistant material
- Also helps to prevent items sliding about in the boot
- Can be trimmed to fit most vehicles
- Easy to clean with a damp cloth
- Dimensions (WxL): 140cm x 108cm

**£21.99**

order code CP0481141

526230

## Rechargeable Jump- Starter with Compressor

- Powerful 900 peak amps
- Built-in 250psi air compressor with pressure gauge
- 12V 17Ah rechargeable battery
- 3x 12V cigarette lighter socket outputs for powering 12V appliances, such as mobile phone chargers, car vacuum cleaners, mini fridges etc.
- 2x Built-in work lights
- LED battery level indicator
- Supplied with adaptors for in-car and AC mains charging
- Dimensions (WxHxD): 330x320x180mm
- Weight: 7kg

**£24.75**

order code CP0452341

476396

## Drive-Over Wheel Alignment Gauge

- Trakrite
- The simplest, most accurate device for checking the alignment of the steered wheels of cars and light commercial vehicles. It is a roller bearing platform over which one front wheel is slowly driven with the wheels in their straight ahead position.
- Checks alignment on any level surface
  - Simple to operate with no technical knowledge required
  - The movement is linked to a pointer which shows if adjustment is needed and in which direction
  - Reveals Toe In or Toe Out
  - Tests accurately in only 5 minutes
  - Virtually indestructible
  - Avoids tyre wear

**£44.99**

## Super Plus Wiper Blades

- High performance wiper blades
  - Hard wiping edges ensures smear-free wiping
  - Extended blade life
  - Reduced noise and judder
  - Double corrosion protection
  - Pre-mounted 'Quick Clip' universal adaptor
  - Blade change in seconds
- Available with a spoiler for added screen contact. Supplied individually

## Expanding Foam - Fix & Fill

- A quick setting, polyurethane based foam in a ready-to-use handheld canister
- Fills irregular gaps, fixes framework, insulates and deadens sound
- Expands on application to up to 50 times the can contents
- For use on PVCu, plastic, brick, stone, concrete, metals and timber
- Can be cut, sawn, plastered and sealed over after approximately 1 hour
- Size: 500ml canister

**£2.99**

order code SA0202241

515921

## Expanding Foam - Professional Gun Grade

- A quick setting, polyurethane based foam for regular and professional use
- Fills irregular gaps, fixes framework, insulates and deadens sound
- Expands on application to up to 50 times the can contents
- For use on PVCu, plastic, brick, stone, concrete, metals and timber
- Can be cut, sawn, plastered and sealed over after approximately 1 hour
- To be used in conjunction with a Gun Foam Applicator
- Size: 750ml canister

**£3.48**

order code SA0202341

515922

## Expanding Foam - Fire Foam B2 Handheld

- A quick setting, fire rated, one part polyurethane foam in a ready-to-use handheld canister
- Fire resistant for up to 2 hours in certain joint configurations
- Expands on application to up to 50 times the can contents
- For use on PVCu, plastic, brick, stone, concrete, metals and timber
- Meets the test requirements of BS 476 Part 20 and DIN 4102 Part 1 for Construction Materials; Class B2
- Size: 750ml canister

**£5.45**

order code SA0202141

## Gorilla Glue

For The Toughest Jobs On Planet Earth™

- The brand of choice for tough building and repair jobs, both professional and DIY
- Bonds wood, stone, metal, ceramics, foam, glass, brick, concrete and more!
- Industrial strength sticking power
- 100% waterproof - will not breakdown when exposed to moisture
- Unaffected by extreme heat or cold
- Paintable, stainable, sandable - invisible glue line makes finishing easy
- Foams to 3x its size, making a little go a long way

## Forever White Silicone Sealant Range

- A superior silicone sealant that is permanently waterproof and flexible
- Guaranteed to stop black mould growth for 10 years
- Contains Microban® for anti-bacterial protection
- Ideal for sealing shower bases and cubicles, baths, sinks and basins
- Also suitable for use in kitchens and internal window/door frames in areas of high humidity and condensation
- Fast curing
- 25% flexibility factor
- Lasts up to 30 years
- Conforms to ISO 11600
- Colour: White, Clear or Ivory
- Size: C3 cartridge

## Compressed Gas Dusters Ultrajet - Biggest Blast

Ultrajet is a compact portable source of microscopically clean inert gas for precision dust removal. Powerful jet instantly removes dirt, dust, oxide particles and all other airborne contaminants. Will not scratch or abrade sensitive surfaces. Ultrajet is moisture-free and exceptionally pure.

- Leaves no residue
- Delivers up to 96psig @ 25°C
- Ultra filtered to <0.2 microns
- Special spray head to reduce risk of freeze-burn on fingers
- Biggest blast of any duster
- Made with HFC 134a
- 400ml

**£7.99**

order code SA0169341

## Foam Cleanser 30

A unique multi-purpose cleanser that will remove grease and grime from Woodwork, Glass, Metal, Paintwork, Vinyl surfaces, etc. It is a mixture of solvents and detergents with antistatic properties. 400ml Aerosol.

**£1.80**

order code SAFOAMCLEANSER41

454295

## Anti-Seize Copper Grease

Capable of withstanding extreme temperatures, this powerful lubricant and anti-seize compound protects metal from corrosion, water, heat and acid. Once applied, a friction reducing protective coating is formed that will not wash off or burn.

- Prevents seizure from high temperature and corrosion
- Assists dismantling of threaded fastenings
- Prevents disk brake squeal
- Operating temperatures from -30°C to 1100°C
- 300ml

**£2.99**

order code SA0187841

497947

## White Lithium Grease

For heavy-duty applications, this lubricant prevents rust and corrosion for automobile, marine and workshop use. Spraying on evenly and drying to a thick coating, it will not splatter, melt, run or wash off. With no hazardous chemicals, it is also safe around the home on sliding doors, windows, hinges and garden machinery.

- Long-lasting, heavy-duty lubricant
- Prevents rust and corrosion
- Water and heat resistant
- Non-drip formula
- Operating temperatures from -10°C to 250°C
- 400ml

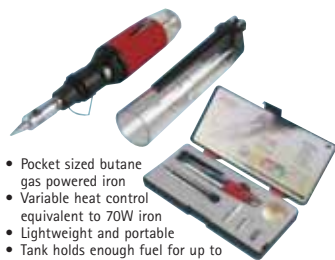

**£2.99**

## SolderPro 50 Gas Soldering Iron

**iroda**

- Pocket sized butane gas powered iron
- Variable heat control equivalent to 70W iron
- Lightweight and portable
- Tank holds enough fuel for up to 30 mins operation (at mid setting)
- Flint ignition
- Easy to refill
- T-01 bit fitted
- Also available in a kit with the contents held in a sturdy case. SolderPro 50 Kit (Case Size: 215x105x38mm)

**Contents of SolderPro 50 (Kit):**  
SolderPro 50 iron with T-01 tip, solder dispenser with 60/40 rosin core 1mm solder, tip cleaning sponge + sponge holder, S-05 hot knife tip, S-06 blow torch tip, S-07 heat blower tip

**Technical Data**  
Soldering Tip Temperature 210 - 400°C (410 - 750°F)  
Torch Temperature 1300°C (2500°F)  
Equivalent Wattage 30 - 70W  
Gas Container Capacity 7ml  
Dimensions (LxDia.) 140x23mm  
Weight (when filled) 60g

## Model XS - 25 Watts

**ANTEX**

This is the very popular 25 watt version of the Model CS Iron incorporating the same electrical and design features.

504187

AN0001141 With PVC Lead **£11.49**  
AN0001841 With Silicone Lead **£14.95**

## Portable Gas NIMROD Torch

A portable, general purpose micro gas torch which is refillable with butane gas. The piezo electronic ignition ensures the flame is ignited instantly. The flame length and temperature are both adjustable by altering the gas or air flow. The large removable base gives a bench mounting, hands-free application. The portable micro burner is ideal for auto repair, electrical and electronic repair, pipe bending, metal melting, brazing and soldering.

- Max temp 1300°C

**£30.95**

order code SD0038141

505183

## Temperature Controlled Soldering Station

**DURATOOL**

- Rotary temperature control
- Digital temperature read-out (Switchable between °C and °F)
- Set/read display
- Safe, low voltage 24Vac iron operation
- Integral stand (can be placed on left or right)
- ESD version available
- Mains on/off switch and fuse
- Range of tips available

**Contents of Station:** Power unit, soldering iron (with 0.5mm pointed tip), stand, sponge, user instructions

**Technical Data**  
Temp Setting Range 160°C - 480°C  
Tolerance ±5°C  
Power Output 48W  
Dimensions (HxWxD) 96x116x170mm  
Iron Length 198mm  
Iron Lead Length 1.1m  
Supply Voltage 220 - 240Vac

## Desoldering Station

**DURATOOL**

Model: ZD-915

- A high-performance desoldering station which provides a continuously controlled supply of heat
- Suitable for desoldering all types of components, and allows easy removal of the residual solder
- The temperature sensor on the top of the tip checks the tip temperature quickly and decreases the possibility of the tip temperature falling off during operation
- The quick heat and 80W power make for convenient and clear soldering/desoldering of all types of DIP components
- Suitable for lead-free applications
- **Contents:** Station (with UK and EU power leads), desoldering gun (with conical tip), user instructions

**Technical Data**  
Supply Voltage 230V (220-240V)  
Power 80W (heat up rating 130W)  
Temperature range 160°C - 480°C  
Vacuum Pressure 600mm Hg  
Heating Element Ceramic Heater

**£53.50**

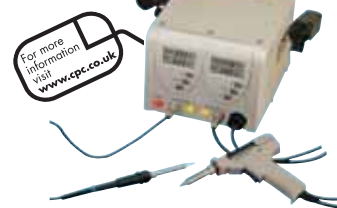

order code SD0138441

## Soldering and Rework Station

**DURATOOL**

Model: ZD-917

- This digital repair system includes a soldering iron and desoldering gun
- Offers a controlled supply of heat, suitable for desoldering all type of components and allows easy removal of the residual solder
- The soldering iron and desoldering iron can be used independently or at the same time
- The temperature sensor on the top of the tips can check the tip temperature quickly and decrease the possibility of the tip temperature falling off during the operation
- Suitable for lead free soldering applications
- **Contents:** Station (with UK and EU power leads), soldering iron (with a conical tip), desoldering gun (with 3 conical tips), ZD-10K stand with sponge and user instructions

**£109**

order code SD0138641

## 'No-Clean' Green Label Soldamop

**Servisol**

Manufactured using high purity oxygen free and oil free fine gauge copper wire. It is impregnated with a special 'No-Clean' flux which improves the wicking action of the braid and the residue left behind is halide free and non-conductive, which means it does not need to be cleaned off.

- Significant health & safety benefits
- Faster desoldering

	Width	Reel Length

## Tip Cleaner

**Pro'sKit**

- Contents made of low abrasive brass shavings
- No water or messy wet sponges necessary
- No temperature drop as in conventional sponges
- Anti-slip pad on the base and an integral adjustable soldering iron rest
- Dimensions (Dia.xH): Ø82x30mm

**£2.75**

order code SD0101541

465743

## Portable Vacuum Pick-Up Tool

**DURATOOL**

- The hand-held SMD vacuum pick up tool is ideal for picking-up and moving large or small electronic components
- Ideal for DIL packages, surface mount components and flat surface components weighing up to 50g
- For use with static sensitive components
- Easily handles small flat parts with the touch of a button
- Self-contained vacuum, no hoses and batteries required
- Storage for the probes and cups in the handle (132mm)
- Supplied with 3 angled and 3 straight pick-up hands with a choice of 4mm, 6mm or 10mm cap diameters

**£3.98**

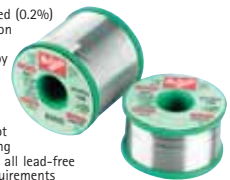

order code SD0139741

521135

## Lead Free (99C) Alloy, 502 No-Clean Flux

**Malvern**

- Mildly activated (0.2%) flux formulation
- Increased flux content (3% by weight) - low fuming and low spitting
- Minimal clear residues no net requires cleaning
- Complies with all lead-free legislative requirements
- Suitable for general lead-free, no-clean assembly, or rework of PCBs assembled in a lead-free no-clean process

526169

## Surface Mount Rework Flux Pens

A quick drying, mildly activated (RMA type), no-clean flux in a pen form, ideal for removing and replacing surface mount components. The pen allows for pin point application.

- Designed to aid reflow when heating to remove components
- Can also be used as an anti-tarnish, protective film on bare copper or tinned tracks, providing excellent solderability for up to 6 months

- Ozone friendly
- Zero halide content so no cleaning is required
- Passes copper plate and copper mirror corrosion test
- For use with hot air, hot gas or conventional soldering techniques
- Excellent soldering capabilities
- Very highly reliable
- Low, non-tacky/non-corrosive residue
- Supplied in packs of 5x 12ml pens

**£14.62**

## Colour CCTV Security Camera

- Robust weatherproof camera
- Clear colour CCTV images
- 11 Bright infra-red LEDs automatically switch on at night providing invisible light up to 5m
- Adjustable stand
- Supplied with 22m power and video cable + PSU
- Easy to install and use

Technical Data	
Image Sensor	1/3"
Resolution	380 TVL
Min. Illumination	0 Lux (IR on), 3 Lux (Colour)
IR Range	2-3m
Power	8 - 12Vdc, 300mA

**£39.98**

order code SR0568941

## Colour Security Dome Camera

- Cost effective security camera for home, office and retail
- Broad lens provides sharp overall focus for crystal clear picture
- Easily adjustable to 360°
- Compact and easy to install
- Supplied with 18m cable and 9V dc power adaptor
- Additional 36m audio/video extension cable available

**£23.32**

order code SR0633741

464233

SR0635241 36m A/V Cable **£15.96**

## Wireless Indoor/Outdoor Colour Camera Kit with Night Vision

- Colour surveillance suitable for home, office and retail security
  - 12 Infra-red LEDs for night vision
  - Receiver easily connects to a VCR, TV or PC (with capture card)
  - Simple 'plug and play' installation
  - Camera can be powered by 9V battery (not supplied)
  - Weatherproof for external use
- Kit Contents - Receiver, camera, 2x DC power adaptors, 1x A/V cable, instruction manual.

\* Actual transmission range may vary according to location, interference and building construction.

**£54.87**

order code SR0634041

## 12Vdc Power Supply

- 8x Regulated 12V DC outputs
- 230V AC Input
- Individual line condition LEDs on each output
- Line condition LED on mains input
- Individual PTC output protection
- Individual current protection
- Built-in surge protection
- Toroidal transformer for high efficiency and low temperature operation

### Technical Data

230V  
Input Voltage Regulated 12V DC @ 4A  
Output Voltage Nominal 500mA per Channel - Max. 1A  
Output Current 1.1A - Max. 2.5A for 4 secs  
Output Current Protection Built-in  
Surge Protection ON = Supply Normal, OFF = Power Failure  
Input LED - Red ON = Output Normal, OFF = Check Load  
Output LEDs - Green  
Input Connector Screw Terminal  
Output Connectors Screw Terminal  
Dimensions (LxWxH) 330x210x89.5mm  
Weight 3.3kg  
Finish Ivory Powder Coated Steel

## 3-in-1 Digital Security Camera

High quality flood light with built in digital camera and video recorder - captures time and date stamped images or video clips when PIR triggered day or night.

- Web cam, Digital Video Camera, 500W Floodlight
- Records each time PIR triggered
- PIR detection angle 52° and range 9m
- Continuous repeat or time delayed
- Time & date stamped photos
- 10 Second video clips
- Works day or night
- Records up to 2560 photos and 512 video clips to 1Gb card (512Mb card supplied)
- Format jpeg and video jpeg
- Recover images via supplied USB lead or by reading card
- Supplied with Ulead photo management software
- 1.3M pixel colour CMOS image sensor
- 2M pixel 1600x1200 interpolation higher res. option with 10 fps video at 320x240
- LCD display for settings
- Automatic exposure, white balance and sharpness
- Time and lux settings for lamp
- Can be used as a web cam to feed images to email or web (free software to download)

Contents: Camera, 512Mb SD card, USB lead, Ulead software and Win95/98 drivers, 500w lamp, user guide.

**£84.25**

order code SR0720541

## Solar Charged PIR Courtesy Light

- Can be installed anywhere with no mains power required
- Movement activated sensor switches light on, ensuring it is only on when required
- LED light with 100,000 hours average life
- Light output equivalent to a 60W standard light bulb (approx.)
- Dimensions (WxHxD): 108x155x157mm

**£21**

order code SR0677141

465365

## PIR Halogen Flood Lights

- Ideal for security lighting
- Black aluminium construction with glass front
- 10m PIR range with 160° spread
- Adjustable On time from 5 seconds to 8 minutes (approx)
- Adjustable mounting bracket
- Option of 150W or 500W
- Supplied with bulb

## Automatic Dusk to Time Off Security Lamp Holder

- As simple as fitting a light bulb
- Dusk till dawn switching or light ON at dusk and OFF at selectable time between 3, 6, 9 & 12 hours later
- For use with bayonet fitting electronic energy saving bulbs (min 9W to max 20W) and normal bayonet fitting filament/incandescent bulbs (min 40W to max 100W (60W closed shade))
- Can be used as normal or a security light
- Dimensions: 85(H)x50(W)x50(D)mm

**£7.78**

order code SR0592941

495663

## 100W PIR Globe Lights

- Senses motion and heat emitting objects up to 12m
- 180° Adjustable detection and angle range
- Adjustable 'light-on' time setting, saves energy
- Light setting allows you to decide when the light should come on
- Hand-blown crystal glass globe ensuring no leakage
- Supplied with fixings and sensor shrouds
- Lamp not supplied
- 3 Year manufacturer's guarantee

## TL900 Personal Emergency Alarm

An aerosol activated personal alarm that emits an ear piercing 130dB sound when activated. When used continuously in the 'lock down' position, the aerosol will last approximately 6 minutes, alternatively it will emit 300 short blasts. The device has won repeated acclaim from consumer magazines and will provide a deterrent against personal attacks (even by animals) whilst also being suitable for use in distress situations. Ideal for use by individuals or for installing in buildings. CFC free.

**£3.84**

## RCD Cable Reels

An attractive, 3-way, cable extension reel fitted with RCD protection. Available in a free standing cassette design the reel body is manufactured using strong break resistant plastic. Ideal for use in homes, gardens, garages and workshops where the RCD plug top will help protect users of electrical appliances against electric shocks caused by faults, incorrect wiring, severed cables or dampness. Rated at 13A and manufactured to BS1363.

- Comfortable carrying handle
- Robust reel body, manufactured using shock resistant plastic
- Easy wind/unwind mechanism
- Cable clip to hold cable when not in use
- 10m per reel
- 13A/240V

502426

**£19.76**

### 8-Gang Surge Protected Extension with Modem Protection

This filter surge protector is designed to give your electronic home and office workstation total protection from all the surge and peaks of current or EMI/RFI interference. Features include:

- Power on/off switch
- Reset switch
- Surge protection indicator
- Grounded indicator, indicates grounding and wiring are correct and safe
- 2 Metre lead
- EMI/RFI noise filter to protect sensitive electronic equipment i.e. computers
- Circuit breaker
- Surge protection for up to 8 appliances + 2 telephone/modem socket outlets, 1inlet
- ASTA approved

**£21.65**

order code PLO949741

## RUTLAND 503 Wind Turbine

A windcharger designed for use on boats, while moving or moored, and caravans whilst parked, where it will keep batteries trickle charged. At home the unit can be used to operate garden pump or fountain or even low voltage lighting in gardens, sheds or garages. The RUTLAND 503 is light-weight and easy to install on land it is designed for mounting on 5-6m high poles with a diameter of 31.7mm (1 1/4"). A marine mounting kit is available for use on boats. Recommended for use with either of the voltage regulators below.

- An environmentally friendly way of keeping batteries charged
- High low wind speed performance
- No running costs
- 510mm diameter
- Integral flywheel effect generator maintains momentum between gusts
- Smooth and quiet operation

**Shunt Regulator:** A 12V shunt regulator that connects between the windcharger and battery where it will provide automatic protection against overcharging. Dimensions (WxHxD): 100x53x75mm.  
**Marine Mounting Kit:** A stainless steel mounting kit supplied in 2 sections of 1m length with tube joiner, deck fixing brackets and fasteners. Guy wires not supplied.

PW0059141	Wind Turbine	<b>£214.00</b>
PW0059741	12V Voltage Regulator	<b>£35.50</b>
PW0059841	Marine Mounting Kit	<b>£68.00</b>

## RUTLAND 913 Wind Turbine

A windcharger that is equally ideal on land or sea. For boats over 8m the windcharger will keep batteries topped up for long distance cruising, conserving fuel and saving on mooring costs. It's low wind speed start up makes it equally suitable for use on land for static and touring caravans for out-of-the-way places or just to save on hook-up costs. Other applications are also found in military establishments, scientific research, fish farming, water authorities and telecommunication companies. The RUTLAND 913 is easily installed and is designed for mounting on 5-6m high poles with a diameter of 41mm. A marine mounting kit is available for use on boats. Recommended for use with either of the voltage regulators below.

- 12V output
- An environmentally friendly way of keeping batteries charged
- High low wind speed performance
- No running costs
- 910mm diameter, 608mm depth
- Integral flywheel effect generator maintains momentum between gusts
- Smooth and quiet operation

**Shunt Regulator:** 12V shunt regulator that connects between the windcharger and battery where it will provide automatic protection against overcharging. Dimensions (WxHxD): 150x53x100mm.  
**Marine Mounting Kit:** A stainless steel mounting kit with 2 sections of 1.2m length with tube joiner, deck fixing brackets and fasteners. Guy wires not supplied.

PW0059241	RUTLAND 913 Turbine	<b>£353.44</b>
PW0060041	12V Voltage Regulator	<b>£59.00</b>

## 200W - 300W Desktop AC/AC Converter - 230V - 110V

Desktop voltage converters with a UK 3-pin mains input and 3-pin USA type socket output for operating 110V North American appliances and equipment with a power consumption of up to 300W.

- Fully enclosed ABS housing
- Thermal fuse protection
- Allows the use of USA appliances in the UK
- Replaceable in-line fuse

**£17.48**

## DC-DC Converters - Single Output

The NPX20 series of isolated open frame DC/DC converters have a single output on an industry standard through hole footprint. Features include no load operation, input undervoltage shutdown, over current protection and thermal shutdown.

- Under voltage lock out
- Synchronous rectifier technology
- Remote on/off & output trim
- Operation to zero load
- Operating temperature: -40°C to 85°C

PW0223441 526223

PW0223541 **£23.85**

## Industrial Alkaline Batteries

Energizer Industrial Alkaline batteries are designed for both industrial and commercial markets and will last up to 7 times longer than conventional zinc carbon batteries. The batteries are manufactured with 0% cadmium and mercury content and are ideal for heavy user demands. Each battery has a 7-year shelf life and can be used in a wide variety of applications.

- Cadmium and mercury free
- 7-year shelf life, 5-year (PP3 type)
- Guaranteed leak proof
- High energy density
- Carton packed

## PowerPix Digital Camera Batteries

**DURACELL**

By offering higher performance and more power than alkaline batteries, Duracell PowerPix is the ideal battery for the growing power requirements of moderate digital camera users.

- Lasts up to 3 times longer than standard alkaline batteries
- Delivers performance and value to moderate digital camera users
- Nickel Oxhydroxide technology
- Long shelf life

	Type	Pack Qty	
BT0356141	AAA	4	<b>£3.48</b>

BT0356341	AA	4	<b>£3.48</b>

## 9V (PP3) Long Life Lithium Manganese Battery

**ULTRALIFE**

- 10 Year shelf life
- Lasts several times longer than alkaline batteries
- (dependent upon application)
- Extends life in low drain applications
- Ideal for multimeters, smoke detectors, fire alarms and remote controls
- 0% Mercury, cadmium and lead
- Robust, leak-proof canister
- UL approved

	Technical Data	
Nominal Voltage	9V	
Equivalent Capacity	6LF22 or MN1604	
Capacity	1200mAh	
Max. Current Drain	120mA continuous	
Dimensions (HxWxD)	48.7x26.3x17.3mm	

**£5.45**

order code BT0273841

## Ultimate Lithium

**Energizer**

- Lasts 7x longer than standard alkaline batteries in digital cameras
- Powers up to 630 digital photos
- Up to 10 year shelf life
- Ideal for use in high drain devices, such as digital cameras, MP3 players and GPS systems

		Pack	
BT0393541	AAA	2	<b>£3.34</b>

## Multi Usage+ Long Life Ni-MH Batteries

**UNIROSS**

- Long-lasting Ni-MH pre-charged batteries, ready for use straight from the pack
- Hybio technology
- Extremely low self-discharge characteristics; retains 80% capacity after 6 months storage
- Can be recharged 1000 times
- Ideal for use in everyday electronic devices, such as radios, CD players, clocks and toys
- C and D packs supplied as 2x AA batteries with 2x C or 2x D converters; 100% compatible with all applications

	Technical Data	
Type	Voltage (V)	Capacity (mAh)

## 12V In-Car Charger

**UNIROSS**

- Compact, 12V plug-in car charger
- Charges 1 or 2 AA or AAA Ni-Cad/Ni-MH batteries simultaneously
- Intelligent charging, negative ΔV cut-off
- Trickle charge after full charge
- LED charge status indicators
- Reverse polarity and short circuit protection
- Bad battery detection
- 2 Individual charging channels
- Charging times from 90 minutes
- 4 Hour safety timer
- Supplied with 2x 1600mAh pre-charged AA batteries

**Technical Data**  
 Input Voltage 12V dc  
 Charging Current 900mA  
 Charging times  
 AA 1600mAh Ni-MH 2 hours  
 AA 2500 mAh Ni-MH 3 hours  
 AAA 700 mAh Ni-MH 1 hour 30 mins  
 AAA 1000 mAh Ni-MH 2 hours 20 mins  
 Trickle charge 50mA - AA, 30mA - AAA  
 Dimensions (HxWxD) 125 x 43 x 35mm

## ACCU Ni-MH Universal Charger

**Energizer**

- Universal charger for 2 or 4xAAA, AA, C and D Ni-MH batteries or 1-2x9V Ni-MH batteries
- Microprocessor technology to maximise battery life protection
- LED charging status indication
- 2-5 hours charging time
- Bad battery detection
- 100-240V ac for worldwide use
- Supplied with 12V car adaptor lead
- Automatic reverse polarity protection
- Dimensions (HxWxD): 130x175x60mm

**Technical Data**  
 Input 100-240V ac, 50/60Hz 190mA  
 12V dc 600mA

## Powerchimp Pocket Portable Charger

**Color Traveler**

- Lightweight, portable charger providing instant power wherever you are
- Charges mobile phones, iPods, PDAs, handheld games consoles and other digital devices
- Compatible with standard mobile phone connectors including Nokia and mini-Nokia, LG Chocolate, Samsung, Siemens, Sony Ericsson and Motorola
- Supplied with 2x AA Ni-MH batteries providing up to 48 hours of instant power
- Pulse charging ensures long battery life
- Auto-lock when charging or recharging
- Built-in flashlight
- Tough outer casing
- Reverse polarity protection
- Available in four colours
- Dimensions (HxWxD): 90x45x38mm
- Contents: Powerchimp charger, charging cables, AA Ni-MH batteries, connectors and carry case

## Solarmonkey Portable Solar Charger

**Color Traveler**

Made for iPod

- A lightweight, versatile solar charger that provides instant power wherever you are
- Powers up iPods and accessories, MP3 players, PDAs, smartphones, mobile phones and many other digital devices
- Compatible with standard mobile phone connectors including Nokia and mini-Nokia, Samsung, LG Chocolate, Sony Ericsson and Motorola
- Charges under incandescent lighting eg. bedside lamp, work lamps, desk lamp (not fluorescent lighting)
- Overcharge protection
- Dimensions (HxWxD): 110x70x10mm
- Contents: Solarmonkey charger, charging cable, interchangeable connectors, travel pouch and canvas case

**£26.95**

order code BT0412841

## 150mA Solar Charger

Model: Solar Saver SE-150

- Eliminates dead 12V batteries in stored or occasional-use vehicles
- Extends battery life - saves on cost of replacement
- Provides immediate trickle-charge when exposed to daylight - fully functional when cloudy
- Protects against natural battery discharge and electronic drain
- Connects quickly and easily - includes cigarette lighter adaptor and battery clamps
- Mounts virtually anywhere - includes suction cups for window mounting
- For indoor use only
- 10 Year power warranty

**Technical Data**  
 Rated Power 2.25W  
 Output Current/Voltage 150mA, 15V  
 Weight 0.41kg  
 Dimensions (HxWxD) 20x127x394mm

**£17.49**

order code BT0416341

515681

## 500mA Solar Charger

Model: Solar Saver SE-500

- Eliminates dead 12V batteries in stored or occasional-use vehicles
- Extends battery life - saves on cost of replacement
- Provides immediate trickle-charge when exposed to daylight - fully functional when cloudy
- Protects against natural battery discharge and electronic drain
- Connects quickly and easily with plug and play cables - includes cigarette lighter adaptor (male and female), battery clamps, terminal ring connector and wire connector
- 2 or more panels can be connected together to increase output using connector cables
- Designed for outdoor use, fully weather resistant
- Mounting hardware included, compatible with Sunsel Solar Grip mounting system
- 10 year power warranty

**Technical Data**  
 Rated Power 7.5W  
 Output Current/Voltage 500mA, 15V  
 Weight 1.5kg  
 Dimensions (HxWxD) 26x360x375mm

**£44.63**

order code BT0416441

515682

Solar Grip Pole Mount **£27.86 £25.95**

## 10A Charge Controller

- Ideal for use with solar panels/chargers generating up to 10A of current
- Reduces system maintenance, prevents overcharging of 12V batteries
- Protects all 12V battery systems and ensures batteries reach maximum capacity
- LED charging status indicator
- Avoids solar panel overcharging of battery systems
- Integrated screw terminal connections for easy installation
- Built-in surge protection and automatic reset for battery protection and ease of operation
- Reverse polarity and reverse current protection
- 2 year manufacturer's warranty

**£17.99**

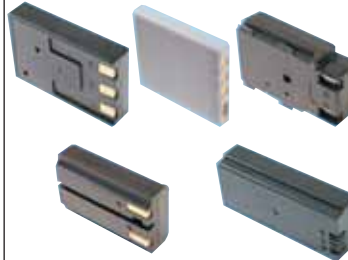

order code BT0416641

## 14 LED Headlamp

- Super bright LED headtorch
- Shock, dust and water resistant
- Quality LED with 100,000 hour lifespan
- Optimised reflecting cup for higher brightness
- Stretchable, adjustable strap
- Comfortable to wear
- Lighting angle adjustable up and down
- Free your hands for work efficiency
- Ideal gear for outdoor activities
- Treated, sprayed, tough, ABS plastic
- Easy to use push button on/off switch
- Lightweight and compact
- Requires 3 x AAA battery (not supplied)
- Blue in colour

**Technical Data**

## Re-chargeable, Portable Flood Light

Model: FL1/FL2

- Rechargeable fluorescent floodlight
- Supplied with tripod base
- Overall height capacity of 2 meters
- Running from all in one power pack carry case design
- Lamp head 2 x 26w fluorescent lamps
- Duration of up to 8 hours per charge depending on output used
- Super quick assembly and dismantle time
- Suitable for use in many applications from work sites, emergency situations and anywhere temporary floodlighting is required
- Supplied in a metal case with handle
- Easy to transport
- Extremely versatile
- FL1: 52W - 14Amp power pack
- FL2: 52W - 28Amp power pack
- Can be used with the Clulite Clubman head
- Dimensions (in case): (HxWxD): 680x440x240mm
- Weight (FL1): 10.5kg
- Weight (FL2): 15kg
- Model: FLA1
- Spot light head and adaptor for the flood light
- Single bulb spot light
- Special length lead for the height extension
- Dimensions (HxWxD): 115x160x160mm
- Weight: 0.585kg

- 5-litre easy to remove water tank with tank full warning light and auto cut off
- Easy to remove washable air filter
- Intelligent defrost system
- Continuous drainage facility
- Castors for ease of movement
- Weight: 23Kg
- Dimensions (WxDxH): 528x366x760mm

**£163.80**

order code HG0019041 447939

## Plinth Fan Heater

- Pressed steel construction
- 2.4KW output
- 3 Heat settings: 800, 1600 and 2400W
- Complete with 3 different fascias and three colour matched screw sets
- Colours: white, brown and stainless steel
- Four rubber feet
- No vibration
- Easy to install
- Pre-wired with 1.5M of cable
- Illuminated switches
- Thermostatically controlled
- Thermal cut out

**£57.39**

order code HG0026241 447926

## 2KW Oil Filled Radiator

**NEW**

- Stylish retro design in silver with chrome detail
- 2kw heat output
- Adjustable room thermostat
- Frost guard setting
- Safety thermostat and overheat cut out
- Pre assembled castors
- Neon indicator light
- Cord storage

**£41.65**

order code HG0037541 526131

## Room Thermostat

- Range 5°C to 35°C
- 10 Amp resistive, 2 Amp inductive at 240 VAC
- Accelerator heater
- Neon indicator
- Single pole/single throw
- Differential 0.5°C
- Surface mount

**£7.98**

order code HG0020441 497879

## RF Room Thermostat

- Advanced Radio Frequency Programmable Thermostat
- Real time clock
- Room temperature display
- Control profile display
- Simplified temperature adjustment
- Simplified programming procedure
- 6 Pre-defined control profiles
- 3 User programmable control profiles
- Voltage free option for combi. boilers
- Frost protection
- Temporary override set temperature
- Receiver range - 100m in open area
- Back light display
- User selectable temperature span
- User selectable heater/cooler operation
- Battery level detection
- Control unit 2x AA batteries supplied
- Slim design

**Technical Data**  
 Receiver 230 VAC 50Hz  
 Switching Capacity 16A resistive, 8A inductive  
 Clock Accuracy ±1 min/month  
 Temp. Measurement 0°C to 40°C in 1°C resolution

**£57.26**
