Great Deals on Pre-Owned Mac Systems

Buying a pre-owned Mac is a smart choice. With a pre-owned Mac you can expect and enjoy all the superior performance of a Mac and save hundreds of dollars over the cost of buying new. All our pre-owned Macs go through a rigorous "24-Point Quality Inspection" and come with a 90-day warranty, so your satisfaction is 100% guaranteed. Our Mac pre-owned models are constantly changing due to low cost and the quality of the systems we carry, so check stores often for the latest deals. Due to the nature of being used systems, Mac case might have scuffs and slight scratches.

Micro Center Priority Care

Why Priority Care?

Micro Center Priority Care Program was designed to provide exclusive Technical Support service not available to our regular customers. Whether you have a simple question about first time setup, or have more complicated needs like system lockups, Micro Center Tech Support can offer a superior level of service to get your PC or Mac® up and running faster. Priority Care not only covers basic technical support needs, but also includes additional tools and features that you won't find anywhere else.

Benefits of the Priority Care Program include:

- Priority status when you call or Live Chat our Technical Support issues
- Free Diagnostic Tools CD with purchase of each Priority Care Plan
- Comprehensive Technical Support at a reduced cost
- Special access to online resources not available to regular customers

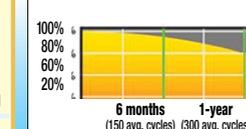

Interested? Ask your salesperson today

MICRO CENTER
professional service & repair

We have the Laptop Batteries you need!

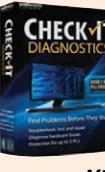

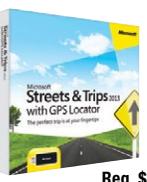

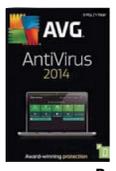

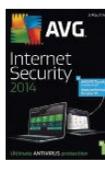

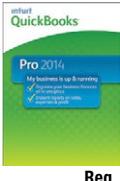

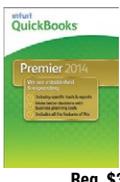

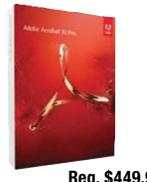

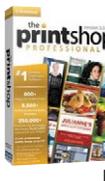

Did You KNOW?

- A typical new laptop with a battery life of 4 hours will degrade to 3 hours (20% usage loss) within the first year and less than 1 hour (80% usage loss) after 18 months.
- Most customers notice the loss of usage time after only six months of degradation.

Stop by our Service Department today!

MICRO CENTER CREDIT CARD

*The MicroCenter credit card is issued by Wells Fargo Financial National Bank. Special terms apply to qualifying purchases charged with approved credit. Regular minimum monthly payments are required during the promotional (special terms) period. Interest will be charged to your account from the purchase date at the APR for Purchases if the purchase balance is not paid in full within the promotional period. For newly opened accounts, the APR for Purchases is 27.99%. This APR may vary with the market based on the U.S. Prime Rate and is given as of 10/28/2013. If you are charged interest in any billing cycle, the minimum interest charge will be \$1.00. Offer expires 11/30/2013. See store for details. The Micro Center credit card is issued with approved credit by Wells Fargo Financial National Bank. Wells Fargo Financial National Bank is a wholly-owned subsidiary of Wells Fargo & Company.

The Micro Center Credit Card

All Purchases over \$210 are no interest if paid within 6 months!

Interest will be charged to your account from the purchase date if the purchase balance is not paid in full within the promotional period.*

VISA PREPAID CARD

The Visa prepaid card is not redeemable for cash at any ATM. The card may be redeemed for cash through teller access at participating banks. Terms and Conditions apply to the card. Subject to applicable law, a monthly maintenance fee of \$3 (USD) applies, but is waived for the first six months after the card is issued. Your card is issued by MetaBank pursuant to a license from Visa U.S.A. Inc. Cards can be used at any merchants that accept Visa debit cards. Micro Center reserves the right to substitute a check of equal value in lieu of a Visa prepaid card at its discretion.

Lowest Processor Pricing

*Micro Center's "Lowest Processor Pricing" program applies to all in-stock Intel® and AMD® processors. Twice per week, we verify pricing from newegg.com & TigerDirect and verify our price is set to the lowest non-rebated price including shipping. Comparisons will be for the same product only. Limited time offer. Micro Center reserves the right to limit quantities. Matched prices are exclusive of sales tax. Prior sales excluded. Check microcenter.com for current pricing. Limit one, in store only.

Meeting Performance Computing Demands since 1994

Corsair is a global company bringing innovative, high-performance components to the PC gaming market. Specializing in very high performance memory, ultra-efficient power supplies, and other key system components, our products are the choice of overclockers, enthusiasts, and gamers everywhere. From its roots in high-performance memory, Corsair has expanded its award-winning product portfolio to include ultra-efficient power supplies, builder-friendly cases, ground-breaking CPU coolers, blazing-fast solid-state drives, and other key system components.

POWER

Corsair power supply units deliver stable and reliable power to your PC with a focus on energy efficiency and ease of installation. A flexible range of output options ensures that there's a Corsair PSU that's perfect for everything from basic desktop PCs to one-of-a-kind dream systems.
