did you know?

Soy is a renewable resource. Most candles are made from paraffin, which is a petroleum product. Soy candles are non-toxic and produce much less soot than many other candles.

Pure haven candles are made with soy, infused with essential oils, and feature cotton wicks.

A woman with long brown hair is lying on a grey couch, wearing a grey turtleneck sweater and a beige blanket. She is holding a white mug with both hands and looking up towards a window with sheer curtains. The scene is brightly lit with natural light.

sweet escape

Escape the hustle and bustle of the holiday season in the comfort of your own home. Simply diffuse 3-5 drops of essential oil to your diffuser, sit back, and relax.
